

# RAIL CHANGER ARM WITH CLAMP - AREA 419 RAILCHANGER ARM WITH ARCALOCK CLAMP

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

The Area 419 RailChanger is a great option for competitors looking to gain an edge. The railchanger comes with Area 419's ARCALOCK clamp allowing it to be mounted to either their ARCALOCK rails or most standard Arca/RRS 1.5" Dovetail rails. The RailChanger is designed to be utilized with RailChanger equipped support bags. The bags can be mounted to the arm allowing hands free use of the support bag. RailChanger bags hang from the RailChanger allowing them to easily drape over barricades, cattle gates, or anything else match directors can come up with. RailChanger Arm with ARCALOCK Clamp Made from 6061-T6 Aluminum Type 3 hard coat anodized For use with RailChanger support bags

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the Area 419 RailChanger Arm with ARCALOCK Clamp. This product is designed to enhance your competitive experience by providing a reliable and versatile support solution. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Ensure that the RailChanger Arm is used only for its intended purpose.
- Inspect the product before each use for any signs of damage or wear.
- Do not exceed the weight limit specified for the RailChanger Arm and support bags.
- Always use the RailChanger Arm in a stable and secure environment.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Report any safety concerns or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Weight Limit:** Verify that the total weight of the mounted support bags does not exceed the recommended limit to prevent accidents.
- **Stability:** Ensure that the RailChanger Arm is securely mounted to the ARCALOCK rails or standard Arca/RRS 1.5" Dovetail rails before use.
- **HandsFree Use:** When using the support bags, ensure they are properly attached to the RailChanger Arm to avoid accidental detachment.
- **Environmental Conditions:** Avoid using the RailChanger Arm in adverse weather conditions that may affect stability and safety.
- **Proper Handling:** Always handle the RailChanger Arm with care to prevent injuries from sharp edges or sudden movements.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the installation area is clean and free from obstructions.
- Attach the RailChanger Arm to the ARCALOCK rails or standard Arca/RRS 1.5" Dovetail rails by aligning the clamp securely.
- Tighten the clamp using the provided mechanism until it is firmly in place.

#### 2. Using the RailChanger Arm:

- Attach the support bags to the RailChanger Arm according to the manufacturer's instructions.
- Ensure that the bags are evenly distributed and securely fastened.
- Adjust the position of the RailChanger Arm as needed for optimal support and comfort.

#### 3. PostUse:

- After use, detach the support bags from the RailChanger Arm.
- Store the RailChanger Arm in a safe place to prevent damage and avoid hazards.

## **Disposal Instructions**

- Dispose of the RailChanger Arm in accordance with local regulations regarding aluminum and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the RailChanger Arm with ARCALOCK Clamp, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product information ready for reference.

Thank you for following these safety instructions. Your safety is our priority. Enjoy using your Area 419 RailChanger Arm!
