

# RAILCHANGER X D-BAG - AREA 419 RAILCHANGER X D-BAG

[Home](#)

The D-Bag was specially created as a lower-profile support pad for the RailChanger X system. It contours the bag and provides a solid base on barricades without adding a lot of overall height to your rifle system. Made of waxed canvas and filled (fill volume is externally adjustable) with a special blend of poly beads and sand-like material, these are a great option for someone wanting a more minimalist approach to the RailChanger X. Most positional shooting bags are not filled firmly on purpose. The reason being a loose filled bag will fill in gaps, drape across obstacles, and create a more stable shooting platform than a firm filled bag.

## Attributes

- Name: [AREA 419 RAILCHANGER X D-BAG](#)

# RAILCHANGER X DBAG Safety Instruction Guide

## Introduction

Thank you for choosing the RAILCHANGER X DBAG by AREA 419. This product has been designed to provide a stable shooting platform while maintaining a lower profile. To ensure safe and effective use of the DBag, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the DBag is used only for its intended purpose as a support pad for the RailChanger X system.
- Always inspect the DBag before use for any signs of damage or wear. Do not use if damaged.
- Keep the DBag out of reach of children to avoid accidental injury.
- Be aware of your surroundings when using the DBag in shooting environments to ensure safety.
- Follow all local laws and regulations regarding the use of shooting accessories.

## Specific Safety Precautions for Use

- **Stability:** Ensure that the DBag is placed on a stable surface before use. Avoid using it on uneven or unstable ground.
- **Filling Adjustment:** The fill volume of the DBag is externally adjustable. Ensure that it is filled appropriately to provide the desired level of support without compromising stability.
- **Proper Handling:** Always handle the DBag with care. Avoid dropping or throwing it, as this may cause damage.
- **Environmental Considerations:** Avoid using the DBag in extreme weather conditions that may affect its performance or integrity.

## Instructions for Installation and Usage

### 1. Setting Up the DBag:

- Remove the DBag from its packaging.
- Inspect the DBag for any visible damage or defects.
- Adjust the fill volume as needed to achieve the desired firmness. This can be done by adding or removing the poly beads and sandlike material from the fill opening.

### 2. Using the DBag:

- Place the DBag on a stable surface, ensuring it is secure and will not shift during use.
- Position your rifle on top of the DBag, ensuring that it is stable and properly supported.
- When shooting, maintain a proper shooting stance and ensure that your body is aligned with the target.

### 3. PostUse Care:

- After use, clean the DBag if necessary to remove dirt or debris. Use a damp cloth and mild soap if needed.
- Store the DBag in a cool, dry place away from direct sunlight to maintain its integrity.

## Disposal Instructions

- Dispose of the DBag in accordance with local regulations.
- If the DBag is damaged beyond repair, consider recycling the materials if possible.

- Do not dispose of the DBag in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the RAILCHANGER X DBAG, please contact the designated EUbased contact point for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your RAILCHANGER X DBAG. Always prioritize safety and adhere to the guidelines provided to maximize the performance and longevity of your product. Thank you for choosing AREA 419.
