## Low-Profile Combat Sights With Easy-To-See Tritium Dots For Fast Targeting In Low Light

Fixed, low-profile combat sights are drop-in replacements for factory sights and feature streamlined contours with rounded corners to help prevent snags and hanging-ups. Precision-machined steel sight bodies sit low in the slide to resist catching on clothing during the draw, yet stand up to the abuse of hard operational and competition use. Night sights have two self-illuminating, Tritium inserts in the rear sight and one in the front blade to provide an easy-to-see, 3-dot sight picture in low-light conditions. Helps you acquire the sights and get on target quickly under stress. Works like a simple, 3-white-dot system for enhanced visibility in daylight. Nothing to turn on: as the ambient light gets lower, the Tritium dots start glowing. Available with either a Orange outline front sight or luminescent green outline front sight. The LumiGreen paint on the luminescent green outline will glow for approximately 10 minutes after light exposure.

## Attributes

- Name: [GREEN OUTLINE SIGHT SET FOR GLOCK® GEN 1-4](#)
- Manufacturer: [AMERIGLO](#)
- Product no.: 100039251
- Mfr. No.: GL-243

## Safety Instruction Guide

### Introduction

Thank you for choosing the PRO GLO NIGHT SIGHTS SETS FOR GLOCK®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

### General Safety Guidelines

- Ensure that the product is compatible with your Glock model as listed in the product specifications.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the sights and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of wear or damage before use.
- If you notice any defects or performance issues, discontinue use immediately and contact a qualified professional.

### Specific Safety Precautions for Use

- Use the sights only in conjunction with the appropriate Glock models specified in the product description.
- Do not attempt to modify the sights or install them on firearms for which they are not intended.
- Be aware that the Tritium inserts provide illumination in lowlight conditions; however, they do not emit light in complete darkness.
- Avoid exposing the sights to extreme temperatures or harsh cleaning chemicals that may damage the components.
- Always ensure your firearm is unloaded before installing or adjusting the sights.

### Instructions for Installation and Usage

#### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory sights using a sight pusher or appropriate tool.
- Clean the sight mounting area to ensure a proper fit.
- Align the new PRO GLO NIGHT SIGHTS in the sight dovetail.
- Secure the sights according to the manufacturer's instructions, ensuring they are firmly in place.
- Verify alignment by using a laser bore sighter or by visual inspection.

#### 2. Usage Instructions:

- Familiarize yourself with the sight picture before using the firearm in a live environment.
- Practice aiming with the sights in various lighting conditions to understand their functionality.
- Regularly clean the sights with a soft cloth to maintain visibility and performance.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding the disposal of electronic components and materials.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for information on disposal facilities.

## Contact Information for Further Support

For any inquiries or support regarding your PRO GLO NIGHT SIGHTS SETS FOR GLOCK®, please refer to the manufacturer's website or customer service resources. Ensure you have your product details ready for a more efficient response.

By following this safety instruction guide, you can ensure a safe and effective experience with your PRO GLO NIGHT SIGHTS SETS FOR GLOCK®. Always prioritize safety and responsible handling of your firearm accessories.
