Introduction

Thank you for choosing the MOLLE Padded Sling with Locking Swivels from GROVTEC US. This product is designed for enhanced comfort and functionality, integrating the Molle System for compatibility with various accessories. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Regularly inspect the sling and swivels for wear and damage.
- Avoid using the sling if any part is damaged or malfunctioning.
- Keep the sling away from children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of slings and related accessories.
- Report any unsafe conditions or product-related incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury if the sling is not properly secured.
 - Risk of detachment if the swivels are not correctly locked.
- **Avoiding Hazards:**
 - Always ensure that the locking mechanism of the swivels is engaged before use.
 - Do not exceed the weight limit specified by the manufacturer.
 - Avoid using the sling in wet or slippery conditions to prevent loss of grip.
- **Age-Specific Warnings:**
 - This product is not suitable for children under 14 years of age without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. Attach the sling to your equipment using the locking swivels.
 2. Ensure that the swivels are securely fastened and locked in place.
 3. Adjust the sling length to fit comfortably and securely.
- **Usage:**
 - Always check the sling and swivels before each use for any signs of wear or damage.
 - When using the sling, ensure that it is properly adjusted to prevent slippage.
 - Do not overload the sling beyond its intended capacity.
 - If you encounter any issues during use, cease operation immediately and inspect the product.

Disposal Instructions

- Dispose of the sling and its components in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling the materials if applicable.
