

"HIVEBRID" G10 PANEL GRIPS FOR RUGER™ MKIV 22/45 - HIVEBRID G10 PANEL GRIPS FOR RUGER® MKIV® 22/45® RED

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

At a glance: Highly durable G10 material is impact, heat and chemical resistant for a long-lasting textured grip. Aggressively textured G10 is paired with the soft, tacky rubber-like material of our "hiveGrip" - for the ultimate control and comfort! Hex insert is removable to allow for customization - use with or without! Upgrade your Ruger® MKIV™ 22/45™ with an aggressively textured, but comfortable grip for the ultimate control and comfort! The new TANDEMKROSS "hiveBrid" G10 Grips for Ruger® MKIV™ 22/45™ truly offer the best of both worlds. Made from nearly indestructible G10, these durable, textured grips feature a hex-pattern inlay of tacky rubber-like material - the same material as our popular MKIV™ 22/45™ "hiveGrip"! These aggressively textured G10 Ruger® MKIV™ 22/45™ grips are impact, heat and chemical-resistant and available in black or bright red and black. The black rubber-like inserts are highly tacky, adding extra grip in any shooting condition - rain, sweat or gloves! The grips also come with four of our engraved titanium grip screws. If you want the tackiness of the "hiveGrip" with the classic, aggressive grip of G10, the "hiveBrid" G10 Grips are the ultimate MKIV™ 22/45™ grip upgrade! Supported Models: Ruger® MKIV™ 22/45™ Ruger® MKIV™ 22/45™ LITE Ruger® MKIV™ 22/45™ Tactical

HIVEBRID G10 Panel Grips for Ruger™ MKIV 22/45

Safety Instruction Guide

Introduction

Thank you for choosing the HIVEBRID G10 Panel Grips for your Ruger™ MKIV 22/45. This guide provides important safety information and instructions to ensure the proper use and maintenance of the product. Please read and follow these guidelines carefully to enhance your experience and ensure your safety.

General Safety Guidelines

- **Product Safety:** Ensure that the grips are used only for the intended purpose and with compatible firearms. Avoid modifications that could compromise safety.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notice of recall, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with EU safety standards. Verify the authenticity of the product.
- **Special Consumer Focus:** Keep the grips out of reach of children and vulnerable individuals. These grips are designed for adult use only.
- **EU Contact Point:** For any safety inquiries, consult the product packaging or visit the manufacturer's website for guidance.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any safety concerns related to this product.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the HIVEBRID G10 Panel Grips are compatible with your Ruger™ MKIV 22/45 model before installation.
- **Inspection:** Regularly inspect the grips for signs of wear or damage. Do not use if any parts are broken or compromised.
- **Handling:** Always handle the firearm safely and responsibly. Follow all firearm safety rules when using the grips.
- **Environmental Conditions:** Avoid using the grips in extreme environmental conditions that could affect grip performance, such as excessive heat or moisture.
- **Tacky Inserts:** The rubberlike inserts are designed for improved grip; however, ensure that they are clean and free from debris before use to maintain effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools for installation, including a screwdriver for the grip screws.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Removing Old Grips:

- Carefully remove the existing grips from your Ruger™ MKIV 22/45 using the screwdriver.
- Keep screws and any other components in a safe place for possible future use.

3. Installing HIVEBRID G10 Panel Grips:

- Align the HIVEBRID G10 Panel Grips with the grip frame of your firearm.
- Insert the provided engraved titanium grip screws through the holes in the grips and into the grip

frame.

- Tighten the screws securely, ensuring the grips are firmly attached but avoiding overtightening which may damage the grips.

4. **Customization:**

- If desired, the hex insert can be removed for customization. Follow the same steps to remove or replace the insert as needed.

5. **Usage:**

- Once installed, test the grip for comfort and control. Ensure that the grips do not interfere with the operation of the firearm.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- **Disposal of Old Grips:** If you are replacing old grips, dispose of them in accordance with local regulations. Do not dispose of in regular household waste if they contain hazardous materials.
- **End of Life Product Disposal:** The HIVEBRID G10 Panel Grips should be disposed of responsibly. Check local regulations for proper disposal methods or recycling options.

Contact Information for Further Support

For further support or inquiries regarding the HIVEBRID G10 Panel Grips, please refer to the manufacturer's website or contact the retailer from whom the product was purchased. Always ensure that you are following the latest safety guidelines and product updates.

By following these safety instructions, you will ensure a safe and enjoyable experience with your HIVEBRID G10 Panel Grips for Ruger™ MKIV 22/45. Thank you for your attention to safety!
