

# **"TOMAHAWK" HOOKED BUMPER FOR RUGER™ MKIV 22/45 - TANDEMROSS TOMAHAWK HOOKED BUMPER FOR RUGER® MKIV® 22/45® 2PK**

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Floorplates](#)

At a glance: Oversized bumper improves the consistency of positive magazine seatings Curved, hooked bumper offers ideal placement for pinky - great for shooters with large hands! Improved hand placement boosts control and improves leverage for more accurate shooting Includes two base pads per order.\* The Ruger® MKIV™ 22/45™ has become a favorite rimfire pistol among competitive shooters, like the Ruger® MKIII 22/45™ and Ruger® MKII 22/45™ before it. But the flush surface on the magazine base pads of these 22/45™ pistols can be challenging for competitors, making it harder to consistently seat the magazine properly and causing unnecessary delays. The TANDEMROSS "Tomahawk" Hooked Magazine Bumpers for Ruger® Mark IV™ 22/45™, Ruger® MKIII™ 22/45™ and Ruger® MKII™ 22/45™ offers an oversized, textured Zytel® grip, allowing the user to easily bump the magazine into place for positive, consistent magazine seatings. The curved, hooked Ruger® magazine bumper offers an ideal placement for the user's pinky, boosting control and leverage over the pistol - perfect for shooters with large hands and competition shooters looking for a better grip. These drop-in Ruger® magazine bumpers attach to the bottom of the factory magazine without any glue or gunsmithing - installing in minutes! This simple Ruger® 22/45™ upgrade is ideal for competitive speed shooters or any Ruger® owner looking to improve the firearm's reliability. Supported Models: Ruger® MKIV™ 22/45™ Ruger® MKIV™ 22/45™ Tactical™ Ruger® MKIV™ 22/45™ LITE Ruger® MKIII™ 22/45™ Ruger® MKIII™ 22/45™ LITE Ruger® MKII™ 22/45™

# Safety Instruction Guide for TOMAHAWK Hooked Bumper for Ruger™ MKIV 22/45

## Introduction

Thank you for choosing the TOMAHAWK Hooked Bumper for your Ruger™ MKIV 22/45. This product is designed to enhance your shooting experience by improving magazine seating and control. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Only use the TOMAHAWK Hooked Bumper with compatible Ruger® models as specified.
- Keep the product out of reach of children and unauthorized users.
- Inspect the bumper regularly for signs of wear or damage.
- If you notice any damage, discontinue use immediately and contact a qualified professional.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Always wear appropriate eye and ear protection when shooting.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the bumper.
- Do not attempt to modify or alter the bumper in any way.
- Be aware that the bumper improves grip for larger hands; ensure it is suitable for your hand size.
- Use the bumper only as intended; do not use it for any other purpose.
- Avoid using the bumper in extreme weather conditions that may affect its performance.
- Regularly check that the bumper is securely attached to the magazine before use.
- Do not force the magazine into the firearm if it does not seat properly.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure the Ruger™ MKIV 22/45 is unloaded and pointed in a safe direction.
2. **Remove the Existing Base Pad:** Gently pull the existing base pad off the magazine.
3. **Attach the TOMAHAWK Hooked Bumper:** Align the bumper with the magazine and press it firmly until it clicks into place.
4. **Check Security:** Ensure that the bumper is securely attached and does not move when pulled.

### Usage

- Grip the firearm with your dominant hand and place your pinky finger on the hooked bumper for better control.
- When inserting the magazine, ensure that it is pushed firmly into the magazine well until you hear a click.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the bumper responsibly and in accordance with local waste management regulations.
- Do not throw the bumper into regular trash; check for recycling options if available.
- If the bumper is damaged, do not attempt to repair it; dispose of it properly.

## **Contact Information for Further Support**

For safety inquiries or product support, please refer to the manufacturer's website or contact their customer service directly. Always ensure you have the model and purchase information available when seeking assistance.

Thank you for your attention to these safety guidelines. Enjoy your enhanced shooting experience with the TOMAHAWK Hooked Bumper!
