

# "MARKPRO" EXTENDED MAGAZINE BUMPER FOR RUGER™ MKIV - TANDEMKROSS MARKPRO EXTENDED MAGAZINE BUMPER FOR RUGER® MKIV® 2PK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Floorplates](#)

At a glance: Oversized bumper improves consistency of positive magazine seating. Lateral grip pulls make pulling from magazine well easy. Zytel® based bumpers offer the ultimate strength and durability. Includes two base pads per order.\* The Ruger® MKIV™ has quickly become a favorite rimfire pistol among competitive shooters, but the flush surface on the magazine base pads can be challenging for competitors, making it harder to consistently seat the magazine properly and causing unnecessary delays. The TANDEMKROSS "MarkPRO" Extended Magazine Bumpers for Ruger® Mark IV™ offers an oversized, textured Zytel® grip, allowing the user to easily bump the magazine into place for positive, consistent magazine seatings. Should the magazine get stuck, raised sides on the extended base pad allow for easy pulling from the magazine well for faster magazine changes. These drop-in MKIV™ accessories attach to the bottom of the factory magazine without any glue or gunsmithing - installing in minutes! This simple Mark IV™ upgrade is ideal for competitive speed shooters or any Ruger® MKIV™ owner looking to improve the firearm's reliability. Supported Models: Ruger® MKIV™ Target Ruger® MKIV™ Hunter Ruger® MKIV™ Competition Ruger® MKIV™ Tactical

# Safety Instruction Guide for MARKPRO Extended Magazine Bumper for Ruger MKIV

## Introduction

Thank you for choosing the MARKPRO Extended Magazine Bumper for your Ruger MKIV. This product is designed to enhance your shooting experience by improving magazine seating and facilitating faster magazine changes. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only with compatible Ruger MKIV models: Target, Hunter, Competition, and Tactical.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine bumper for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Risk of Injury:** Improper handling of firearms can result in serious injury or death. Always treat every firearm as if it is loaded.
- **Improper Installation:** Ensure the bumper is securely attached to the magazine before use. An improperly installed bumper may cause malfunction or failure to seat correctly.
- **Environmental Conditions:** Avoid using the product in extreme conditions (e.g., heavy rain, extreme heat) that could affect the performance of the magazine or the bumper.
- **Maintenance:** Keep the bumper clean and free of debris to ensure optimal performance. Regularly check for any loose parts.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Magazine:** Take the magazine out of the firearm.
3. **Attach the Bumper:**
  - Align the MARKPRO Extended Magazine Bumper with the base of the magazine.
  - Press firmly until the bumper snaps into place securely.
4. **Check Installation:** Gently tug on the bumper to ensure it is firmly attached.

### Usage Instructions

- To seat the magazine, hold the firearm securely and use the textured grip of the bumper to push the magazine into the magazine well.
- If the magazine is stuck, use the raised sides of the bumper to pull the magazine out easily.
- Practice magazine changes in a safe environment to become familiar with the functionality of the bumper.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic waste.
- Do not throw the product into fire or expose it to extreme heat, as it may cause harmful emissions.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the appropriate EU contact point or safety authority in your region.

## **Conclusion**

By following the safety instructions provided in this guide, you can ensure a safe and enjoyable experience with your MARKPRO Extended Magazine Bumper for Ruger MKIV. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
