

"VICTORY" TRIGGER FOR RUGER™ PC CARBINE - TANDEMKROSS VICTORY TRIGGER FOR RUGER® PC CARBINE® BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

At a glance: Flat-faced, textured design improves grip, control Post-travel adjustable Offers short, identical, repeatable trigger pulls The Ruger® PC Carbine™ is quickly gaining popularity among shooting sports competitors, especially with PCC competitions on the rise. The PC Carbine™ is a fantastic gun out of the box, but even a good gun can be made great! The new "Victory" Trigger for Ruger® PC Carbine™ is the ultimate competition PC Carbine™ upgrade. Modeled after our signature TANDEMKROSS "Victory" Trigger product line, the new PC Carbine™ trigger features a textured, flat-faced design for better grip and control. The lightweight, skeletonized trigger design allows the shooter to pull straight back, making it easier to tell if you're pulling too far to the left or right. The trigger has very little pre-travel and is post-travel adjustable for a custom fit and function. The PCC trigger's flat-faced design allows the user to place their finger lower on the trigger face, improving leverage and lowering the feel of the trigger pull.

Safety Instruction Guide for VICTORY Trigger for Ruger® PC Carbine

Introduction

Thank you for choosing the VICTORY Trigger for Ruger® PC Carbine. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the trigger is not pulled until you are ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Ensure that you are trained in the safe handling and operation of firearms.

Specific Safety Precautions for Use

- The VICTORY Trigger is designed for use with the Ruger® PC Carbine only. Do not attempt to use it with other firearms.
- Installation should only be performed by individuals who are knowledgeable about firearm modifications.
- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Do not modify the trigger or any other components beyond the manufacturer's specifications.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger following the manufacturer's instructions.
- Carefully install the VICTORY Trigger by aligning it with the trigger mechanism.
- Ensure all screws and components are tightened securely.
- Test the trigger function before using the firearm.

2. Usage Guidelines:

- Familiarize yourself with the trigger's features, including its flatfaced design and posttravel adjustment.
- Practice dry firing in a safe environment to become accustomed to the trigger pull.
- Always maintain a firm grip on the firearm while using the trigger.
- Monitor your finger placement on the trigger face to ensure proper leverage and control.

Disposal Instructions

- Dispose of the VICTORY Trigger in accordance with local regulations for electronic and firearm components.
- Do not dispose of any components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the VICTORY Trigger, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your VICTORY Trigger for Ruger® PC Carbine. Always prioritize safety and responsibility when handling firearms.
