

# "GAME CHANGER PRO" COMPENSATOR FOR RUGER™ PC CARBINE - TANDEMROSS GAME CHANGER PRO COMPENSATOR RUGER® PC CARBINE® STAINLESS

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

At a glance: Steel compensator for 9mm firearms adds weight for better balance, more accuracy. Proprietary coating makes cleaning the compensator easy. Vents gases at dual 45° angles for better visibility & control. When shooting in a competition, even milliseconds can mean the difference between first place and second place. The new "Game Changer PRO" 9mm Compensator is the perfect addition to your Ruger® PC Carbine™ or other 9mm competition firearms to significantly reduce muzzle rise and boost your speed and accuracy. Like our original physicist-designed "Game Changer" and "Game Changer PRO" .22lr compensators, the "Game Changer PRO" 9mm adds weight to the front of the pistol for better balance, reducing muzzle rise and improving accuracy when moving quickly between targets. The compensator vents gases at dual 45° angles for better visibility and control. Love shooting with a compensator but hate the cleanup? The black "Game Changer PRO" 9mm features a proprietary Easy-Clean Coating to make compensator maintenance simple. The "Game Changer PRO" 9mm compensator is easy to install and fits any standard 1/2 x 28 threaded barrels. Product Specs: Width/Diameter: .99 inches Length: 1.5 inches Weight: 2.83 ounces Threading: 1/2 x 28

# GAME CHANGER PRO Compensator Safety Instructions

## Introduction

Thank you for choosing the GAME CHANGER PRO Compensator for your Ruger® PC Carbine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the compensator is compatible with your firearm before installation.
- Keep the compensator and firearm out of reach of children and unauthorized users.
- Use the compensator only with firearms that are chambered for 9mm.
- Regularly inspect the compensator for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Store the compensator in a dry, cool place when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when installing the compensator.
- Do not attempt to modify the compensator or firearm in any way.
- Wear appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the compensator in wet or humid conditions, as this may affect performance.
- Do not shoot with the compensator if it is damaged or shows signs of wear.
- Ensure that the compensator is securely attached before firing the firearm.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before starting, make sure your firearm is unloaded and pointed in a safe direction.
2. **Prepare the Firearm:** Remove any existing muzzle devices from the firearm's threaded barrel.
3. **Thread the Compensator:** Align the compensator with the barrel threads and carefully screw it on clockwise until secure. Do not overtighten.
4. **Check Alignment:** Ensure that the compensator is aligned properly and is not obstructing the barrel.
5. **Final Inspection:** Doublecheck that the compensator is securely attached and there are no gaps between the compensator and barrel.

### Usage Instructions

- When using the firearm with the compensator, maintain a proper grip and stance to maximize stability.
- Monitor the performance of the compensator during use. If you notice excessive muzzle rise or any other issues, cease use immediately.
- Clean the compensator regularly to maintain its performance. Use a soft cloth and appropriate cleaning solutions as recommended by the manufacturer.
- Follow the manufacturer's guidelines for cleaning and maintenance.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- If the compensator is damaged beyond repair, contact your local waste management facility for safe disposal options.

## Contact Information for Further Support

For any safety inquiries or further support regarding the GAME CHANGER PRO Compensator, please refer to the manufacturer's website or contact your local distributor. Ensure you have the product details and any relevant information ready for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your GAME CHANGER PRO Compensator. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important safety measures.
