CornerStone Safety Thumb Ledge Safety Instructions

Introduction

Thank you for choosing the CornerStone Safety Thumb Ledge for your KelTec PMR30, CMR30, or CP33. This product is designed to enhance your shooting experience by providing improved grip and safety features. Please read this safety instruction guide carefully to ensure safe and effective use of your new accessory.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Use appropriate eye and ear protection when shooting.
- Ensure that the CornerStone Safety Thumb Ledge is properly installed before use.
- Regularly inspect your firearm and its components for wear and damage.
- Store your firearm and accessories securely and out of reach of children.

Specific Safety Precautions for Use

- The CornerStone Safety Thumb Ledge is intended for use with KelTec PMR30, CMR30, and CP33 models only. Using it with other firearms may pose safety risks.
- Ensure that the firearm is unloaded before installing or adjusting the thumb ledge.
- Do not attempt to modify the CornerStone Safety Thumb Ledge or your firearm in any way that could compromise safety.
- If you experience any malfunctions with your firearm after installing the thumb ledge, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that your firearm is completely unloaded. Remove the magazine and check the chamber.
2. **Remove the Existing Safety:** Follow the manufacturer's instructions to safely remove the factory-installed safety.
3. **Install the CornerStone Safety Thumb Ledge:** Align the thumb ledge with the safety mechanism and press it into place until you hear a secure "click."
4. **Test the Installation:** Once installed, test the safety mechanism to ensure it engages and disengages smoothly.
5. **Check Functionality:** With the firearm still unloaded, check that the thumb ledge allows for proper thumb placement and does not interfere with other controls.

Usage

- When gripping your firearm, place your thumb on the CornerStone Safety Thumb Ledge for improved control and stability.
- Familiarize yourself with the "clicking" sound of the safety mechanism, ensuring you can identify when the firearm is in a safe or live position.
- Practice safe handling techniques, maintaining a proper grip and keeping your finger off the trigger until ready to fire.

Disposal Instructions

- Dispose of the CornerStone Safety Thumb Ledge in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CornerStone Safety Thumb Ledge, please contact the manufacturer or a qualified firearms expert for assistance. Ensure you have your product information ready for a more efficient response.

Thank you for prioritizing safety and responsibility in your shooting activities. Enjoy the enhanced control and confidence provided by the CornerStone Safety Thumb Ledge!
