Safety Instruction Guide for ACCELERATOR Thumb Ledge for KELTEC PMR30/CP33

Introduction

Thank you for choosing the ACCELERATOR Thumb Ledge for KELTEC PMR30/CP33. This product is designed to enhance your shooting experience by providing stability and control. To ensure safe and effective use, please read and follow the instructions and safety guidelines outlined in this manual.

General Safety Guidelines

- Always handle firearms with care and follow all applicable laws and safety regulations.
- Ensure that the ACCELERATOR Thumb Ledge is compatible with your firearm model (KELTEC PMR30/CP33) before installation.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before installing the ACCELERATOR Thumb Ledge.
- Always maintain a proper grip on your firearm while shooting to prevent accidental discharge.
- Do not use the ACCELERATOR Thumb Ledge if it interferes with your ability to safely operate the firearm.
- Avoid placing your thumb on the ledge while the firearm is loaded and ready to fire.
- Be mindful of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You may need a screwdriver appropriate for the screws provided with the ACCELERATOR Thumb Ledge.
2. **Unload Your Firearm:** Ensure the firearm is completely unloaded before beginning the installation process.
3. **Position the Thumb Ledge:** Align the ACCELERATOR Thumb Ledge with the designated area on your KELTEC PMR30/CP33.
4. **Secure the Thumb Ledge:** Using the screws provided, secure the thumb ledge in place. Ensure that it is tightly fastened but avoid overtightening which may damage the product or firearm.
5. **Check for Stability:** Once installed, check that the thumb ledge is stable and does not move when pressure is applied.

Usage Instructions

- Grip the firearm with both hands, placing your thumb on the ACCELERATOR Thumb Ledge for enhanced stability.
- Maintain a firm and controlled grip while aiming and shooting.
- Regularly practice safe shooting habits and ensure you are familiar with the operation of your firearm.

Disposal Instructions

- Dispose of the ACCELERATOR Thumb Ledge in accordance with local regulations for aluminum products.

- Do not dispose of the product in regular household waste if local laws require specific disposal methods for metal products.

Contact Information for Further Support

For questions or further assistance regarding the ACCELERATOR Thumb Ledge, please refer to the manufacturer's contact information found on the packaging or product documentation.

By following these safety guidelines and instructions, you can ensure a safer and more enjoyable shooting experience with your ACCELERATOR Thumb Ledge for KELTEC PMR30/CP33. Thank you for your attention to these important safety measures.
