

# 1911 JEM BEAVERTAIL GRIP SAFETY - EGW JEM BEAVERTAIL GRIP SAFETY, SS, S70

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## An Oversized 1911 Beavertail Grip Safety Perfect for Final Fitting

Machined from a solid piece of barstock, the JEM 1911 Beavertail Grip Safety ships with slightly oversized dimensions in critical areas, enabling homebuilders and gunsmiths to achieve a perfect, custom fit on their 1911 pistol frame. The JEM 1911 Beavertail Grip Safety features a beavertail that's wider than the frame, allowing the part to be fit into the frame rather than the other way around. The overall length of the grip safety is longer at the bottom, and the angle is such that it allows the safety to adequately fill the gap in the pistol frame. Other features of the JEM 1911 Beavertail Grip Safety include a reamed pin hole that measures .158 inch, as well as a .250-inch radius. The enlarged contact pad on the grip safety ensures positive engagement. One note: this grip safety is designed specifically for high-cut frames and will need blending. The safety will fit all JEM frames, as well as 2011 High-Cap STI pistol frames

# Safety Instruction Guide for 1911 JEM Beavertail Grip Safety

## Introduction

Thank you for choosing the 1911 JEM Beavertail Grip Safety. This product is designed for use with 1911 pistol frames and provides enhanced safety features. Please read this guide carefully to ensure safe installation and use.

## General Safety Guidelines

To ensure your safety and the safety of others, please observe the following guidelines:

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or modifying any components.
- Keep the grip safety and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip safety for wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

When using the 1911 JEM Beavertail Grip Safety, please consider the following precautions:

- The grip safety is designed specifically for highcut frames and requires blending for proper fit.
- Ensure that the grip safety is properly installed before using the firearm.
- Do not attempt to modify the grip safety beyond the recommended blending process.
- If you experience any issues with the grip safety, discontinue use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

Follow these instructions carefully to install and use the 1911 JEM Beavertail Grip Safety:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch, hammer, and file for blending.

### 2. Installation:

- Remove the existing grip safety from the firearm by driving out the retaining pin.
- Align the JEM Beavertail Grip Safety with the frame. The wider beavertail should fit into the frame.
- Insert the reamed pin into the designated hole (.158 inch) to secure the grip safety in place.
- Use a file to blend the grip safety with the frame as necessary for a custom fit.

### 3. Testing:

- After installation, test the grip safety by engaging and disengaging it.
- Ensure that the safety functions correctly and that there is no interference with the firearm's operation.

### 4. Usage:

- When using the firearm, ensure your grip is firm and secure to engage the grip safety properly.

- Always follow safe firearm handling practices.

## **Disposal Instructions**

When disposing of the 1911 JEM Beavertail Grip Safety, follow these guidelines:

- Do not dispose of the grip safety in regular household waste.
- Check local regulations for proper disposal methods of firearm components.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 JEM Beavertail Grip Safety, please refer to the manufacturer's contact information provided with your product purchase.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure safe and effective use of the 1911 JEM Beavertail Grip Safety. Thank you for your attention to these important safety measures.
