The Best AR-15 Punch Set on the Market

After consulting with professional armorers across the industry, Obsidian Arms now has the ultimate punch set for work with the AR-15 platform, providing builders and gunsmiths with a 12-piece set that can do it all. All of the punches needed to build or disassemble an AR-15 are included in this Complete Armorer's 12-Piece Punch Set, including starter punches, roll-pin punches, flat-sided punches for the bolt-catch pin, Delrin punch, drift pin and even a special tool for installing pivot-pin detents! Each of the Obsidian Arms punches included in this 12-piece set are made entirely from 4140 alloy steel, heat-treated and QPQ-finished for durability and corrosion-resistance. The set also comes with a lifetime warranty. If you break a punch, the company will replace it at no charge to you.

Safety Instruction Guide for AR15 Complete Armorer's 12Piece Punch Set

Introduction

Thank you for choosing the AR15 Complete Armorer's 12Piece Punch Set by Obsidian Arms. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the punch set.

General Safety Guidelines

- Always use the punch set in a welllit and stable work environment.
- Ensure that the work area is free from distractions and hazards.
- Keep the punch set out of reach of children and unauthorized users.
- Inspect the punches for any damage or wear before each use.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to prevent injury.
- Follow all instructions and guidelines provided in this manual to avoid accidents and injuries.

Specific Safety Precautions for Use

- Do not use the punches for any purpose other than intended. These punches are specifically designed for use with the AR15 platform.
- Avoid using excessive force when driving punches to prevent damage to the punch or the workpiece.
- Use a proper hammer or mallet when striking the punches. Avoid using tools that may cause the punches to chip or break.
- Ensure that the punch is aligned correctly with the pin or hole before striking.
- If a punch becomes stuck, do not force it out. Instead, use a proper tool to safely remove it.
- Be cautious of any sharp edges or points on the punches. Handle them with care to avoid cuts or punctures.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting your project.
- Ensure that you have a clean and organized workspace.

2. Using the Punch Set:

- Select the appropriate punch size for the task at hand (sizes include 1/16, 3/32, 1/8, and 5/64).
- Position the punch over the pin or hole you intend to work on.
- Firmly hold the punch in place with one hand while using the other hand to strike it with a hammer or mallet.
- For roll pins, use the rollpin punches provided in the set to prevent damage to the pins and surrounding areas.
- If using the Delrin punch, ensure it is used for delicate parts to avoid marring the surface.

3. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Store the punch set in a dry place to prevent rust and corrosion.
- Regularly inspect the punches for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or broken punches in accordance with local regulations.
- Do not throw punches in regular trash if they are sharp or could pose a safety hazard.
- Consider recycling metal components if possible.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer directly through their official communication channels.

By following these safety instructions, you can ensure a safe and effective experience while using the AR15 Complete Armorer's 12Piece Punch Set. Thank you for your attention to safety and responsible usage.
