

ARMORER'S TOOL KIT POUCH - ARMAGEDDON GEAR ARMORER'S TOOL KIT POUCH BLACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Designed and submitted as part of the SOCOM PSR Program, the Armageddon Gear Precision Rifle Tool Kit Pouch is now in military service as a field-maintenance Armorer's tool kit pouch. Holds everything you need to keep your rifle performing during extended missions. Holds ball-peen hammer or mallet, Snap-On (or similar) torque wrench, three T-handle drivers, and numerous small tools, spare fasteners, or other items in internal flap-closed pouch. Double-layer Cordura shell provides durability and protection while oversized zipper offers easy access to contents. This item includes pouch only. Pouch complete with PSR-based tool kit available for unit or multiple purchase with minimum order size.

ARMORER'S TOOL KIT POUCH Safety Instructions

Introduction

Thank you for choosing the Armageddon Gear Armorer's Tool Kit Pouch. This pouch is designed to hold essential tools for maintaining your rifle during extended missions. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all tools stored within the pouch are in good working condition before use.
- Always inspect the pouch for any signs of wear or damage before each use.
- Keep the pouch away from extreme heat, moisture, and direct sunlight to maintain its integrity.
- Do not exceed the recommended weight capacity of the pouch to avoid tearing or damage.
- Store the pouch in a secure location away from children and vulnerable individuals.
- Familiarize yourself with the contents of the pouch and their intended uses to prevent misuse.

Specific Safety Precautions for Use

- Always use tools as intended and according to the manufacturer's guidelines.
- When using tools such as hammers or mallets, wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Avoid using the pouch as a carrying device for heavy or sharp objects that could puncture or damage the fabric.
- Ensure that small tools and fasteners are secured in the internal flapclosed pouch to prevent loss or injury.
- If you notice any unusual wear or damage to the pouch or its contents, discontinue use immediately and seek replacement.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the pouch from its packaging. Check for any damage or missing components.
2. **Filling the Pouch:**
 - Place the ballpeen hammer or mallet in the designated compartment.
 - Store the SnapOn or similar torque wrench securely in the pouch.
 - Use the three Thandle drivers and other small tools, ensuring they are organized for easy access.
 - Place spare fasteners and miscellaneous items in the internal flapclosed pouch to keep them secure.
3. **Using the Pouch:**
 - When accessing tools, unzip the oversized zipper carefully to avoid snagging.
 - Use tools on a stable surface to ensure safety during maintenance tasks.
 - After use, return all tools to the pouch and zip it securely.
4. **Maintenance of the Pouch:**
 - Clean the pouch with a damp cloth and mild soap if necessary. Avoid harsh chemicals that could damage the fabric.
 - Store the pouch in a cool, dry place when not in use.

Disposal Instructions

- When the pouch reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for guidance on disposing of textile products.
- If the pouch is damaged beyond repair, consider recycling it if possible.

Contact Information for Further Support

For any safety inquiries or further support regarding this product, please refer to the manufacturer's contact details available on the packaging or the official website.

By following these safety instructions, you can ensure the safe and effective use of the Armageddon Gear Armorer's Tool Kit Pouch. Thank you for your attention to safety.
