

ARMORER'S TOOL KIT POUCH - ARMAGEDDON GEAR ARMORER'S TOOL KIT POUCH COYOTE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Designed and submitted as part of the SOCOM PSR Program, the Armageddon Gear Precision Rifle Tool Kit Pouch is now in military service as a field-maintenance Armorer's tool kit pouch. Holds everything you need to keep your rifle performing during extended missions. Holds ball-peen hammer or mallet, Snap-On (or similar) torque wrench, three T-handle drivers, and numerous small tools, spare fasteners, or other items in internal flap-closed pouch. Double-layer Cordura shell provides durability and protection while oversized zipper offers easy access to contents. This item includes pouch only. Pouch complete with PSR-based tool kit available for unit or multiple purchase with minimum order size.

ARMORER'S TOOL KIT POUCH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Armageddon Gear Armorer's Tool Kit Pouch. This pouch is designed to assist in the maintenance of precision rifles during extended missions. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the pouch is used for its intended purpose only.
- Keep the pouch away from children and unauthorized users.
- Regularly inspect the pouch for any signs of wear or damage.
- Store the pouch in a dry and safe location when not in use.
- Follow all local laws and regulations regarding the use of tools and firearms.

Specific Safety Precautions for Use

- When using tools stored in the pouch, always wear appropriate personal protective equipment, such as safety goggles and gloves.
- Be cautious when handling tools to avoid injury. Use tools only as intended.
- Ensure the pouch is securely closed when transporting to prevent tools from falling out.
- Avoid overloading the pouch to maintain its integrity and ensure safe handling.
- If the pouch becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Unpacking the Pouch:

- Carefully remove the pouch from its packaging.
- Inspect the pouch for any visible damage or defects.

2. Loading the Pouch:

- Open the pouch and place your tools inside.
- Ensure that tools such as the ballpeen hammer, torque wrench, and Thandle drivers are securely stored.
- Use the internal flapclosed pouch for small tools and spare fasteners to avoid loss.

3. Using the Pouch:

- When using tools, ensure that you are in a safe environment.
- Always follow the manufacturer's instructions for each tool used.
- Keep the pouch closed when not in use to protect tools.

4. Transporting the Pouch:

- Use the oversized zipper to easily access contents when needed.
- Carry the pouch with care to avoid dropping or damaging it.

5. Maintenance of the Pouch:

- Wipe the exterior with a damp cloth to remove dirt or debris.

- Avoid using harsh chemicals that could damage the Cordura shell.

Disposal Instructions

- When the pouch reaches the end of its life or is no longer usable, dispose of it responsibly.
- Check local regulations for guidance on disposing of textile materials.
- If applicable, recycle parts of the pouch that are made from recyclable materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Armageddon Gear Armorer's Tool Kit Pouch, please refer to the appropriate contact channels provided by the retailer or manufacturer.

Please ensure that you keep this safety instruction guide for future reference. By following these guidelines, you can help ensure safe and effective use of your Armageddon Gear Armorer's Tool Kit Pouch.
