

# PERFECT CARBINE CASE - ARMAGEDDON GEAR 35 PERFECT CARBINE CASE MULTICAM

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

This compact, but fully featured carbine case is available in 35" and 42" versions to accept AR15s or AR10s and similar rifles. The 35" version is perfect for a 16" barreled carbine. The 42" version is perfect for a 16"-18" barreled carbine with a suppressor attached. No more removing that can every time you go to or from the range! Plenty of pockets and a wide shoulder strap make it easy to transport spare magazines, ammo, your data book or cleaning supplies to the range. Milspec 1000 Denier solution-dyed Cordura nylon handles hard use with ease and high-density closed-cell foam padding protects valuable weapons and optics. An adjustable shoulder strap comes in handy when you're carrying too much gear to the range like we always do. Like everything Armageddon Gear manufactures, the Perfect Carbine Case is made in the USA!

## Safety Instruction Guide

### Introduction

Thank you for choosing the Perfect Carbine Case by Armageddon Gear. This guide provides essential safety instructions to ensure safe and effective use of your carbine case. Please read this guide thoroughly before using the product to understand the safety measures and usage instructions.

### General Safety Guidelines

- Ensure the carbine case is suitable for your firearm type (AR15, AR10, etc.) and size (35" version for 16" barreled carbines).
- Always check the condition of the carbine case before use to ensure it is free from damage.
- Use the carbine case only for its intended purpose: transporting firearms and related accessories.
- Keep the carbine case out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents involving the carbine case to the appropriate authorities.

### Specific Safety Precautions for Use

- Always ensure that firearms are unloaded before placing them in the carbine case.
- Use caution when handling firearms, even when they are stored in the case.
- Do not overload the carbine case beyond its intended capacity, as this may compromise safety and durability.
- Be mindful of sharp edges or protruding parts when loading or unloading the carbine case.
- Regularly inspect the straps and handles for wear and tear to ensure they remain secure during transport.

### Instructions for Installation and Usage

#### 1. Loading the Carbine Case:

- Open the case and lay it flat on a stable surface.
- Ensure your firearm is unloaded and free of any ammunition.
- Place the firearm in the case, ensuring it fits securely without excessive movement.
- Utilize any internal straps or padding to secure the firearm in place.
- Store magazines and accessories in the designated pockets, ensuring they are also secured.

#### 2. Transporting the Carbine Case:

- Use the adjustable shoulder strap for comfortable carrying, especially when loaded with additional gear.
- Ensure the case is fully zipped and secured before transport.
- Carry the case in a manner that keeps it stable and prevents it from falling or being dropped.

#### 3. Cleaning and Maintenance:

- Regularly clean the exterior of the carbine case with a damp cloth to remove dirt and debris.
- Inspect the interior padding for any signs of wear or damage.
- Store the carbine case in a dry, cool place when not in use to prevent mold or degradation of materials.

## Disposal Instructions

When disposing of the Perfect Carbine Case, please follow local regulations regarding the disposal of fabric and synthetic materials. Consider recycling options where available. Do not burn the case, as it may release harmful fumes.

## Contact Information for Further Support

For any safety inquiries, concerns, or to report an unsafe product, please reach out to your local authorities or consult the EU's Safety Gate platform for updates on product recalls and safety information.

Thank you for prioritizing safety while using the Perfect Carbine Case. Enjoy your time at the range!
