[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

This compact, but fully featured carbine case is available in 35" and 42" versions to accept AR15s or AR10s and similar rifles. The 35" version is perfect for a 16" barreled carbine. The 42" version is perfect for a 16"-18" barreled carbine with a suppressor attached. No more removing that can every time you go to or from the range! Plenty of pockets and a wide shoulder strap make it easy to transport spare magazines, ammo, your data book or cleaning supplies to the range. Milspec 1000 Denier solution-dyed Cordura nylon handles hard use with ease and high-density closed-cell foam padding protects valuable weapons and optics. An adjustable shoulder strap comes in handy when you're carrying too much gear to the range like we always do. Like everything Armageddon Gear manufactures, the Perfect Carbine Case is made in the USA!

Safety Instruction Guide for the Perfect Carbine Case

Introduction

Thank you for choosing the Perfect Carbine Case by Armageddon Gear. This guide provides essential safety information to ensure the safe use and handling of your carbine case. Please read this guide carefully before use to understand how to protect yourself and your equipment.

General Safety Guidelines

- Ensure that the carbine case is used only for storing and transporting firearms and related equipment.
- Always check the case for any damage before use. Do not use a damaged case.
- Keep the case out of reach of children and unauthorized users.
- Regularly inspect the case for wear and tear, especially the straps and zippers.
- Follow all local laws and regulations regarding firearm storage and transport.

Specific Safety Precautions for Use

- When loading or unloading firearms from the case, ensure that the firearm is pointed in a safe direction.
- Always ensure that firearms are unloaded before placing them in the case.
- Use the adjustable shoulder strap to avoid strain when carrying heavy loads.
- Secure all compartments and pockets to prevent items from falling out during transport.
- Do not exceed the weight limit of the case. Check the manufacturer's specifications for details.

Instructions for Installation and Usage

1. Unpacking the Case

- Carefully remove the carbine case from its packaging.
- Inspect the case for any visible damage or defects.

2. Loading Your Firearm

- Open the main compartment of the case.
- Ensure that your firearm is unloaded.
- Place the firearm securely in the main compartment, ensuring it is wellprotected by the foam padding.
- Utilize any additional pockets for storing magazines, ammunition, or cleaning supplies.

3. Using the Shoulder Strap

- Adjust the shoulder strap to a comfortable length.
- Ensure that the strap is securely attached to the case.
- Carry the case using the shoulder strap to distribute the weight evenly.

4. Transporting the Case

- Always carry the case with the zipper facing away from your body.
- Avoid placing heavy objects on top of the case during transport.
- Keep the case upright whenever possible to prevent damage to its contents.

Disposal Instructions

- When the case reaches the end of its life, dispose of it in accordance with local regulations for textile and plastic waste.
- Do not burn the case, as it may release harmful substances.
- If the case is damaged, ensure it is disposed of safely to prevent any risk of injury.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer directly. Ensure that you have the product's details ready for a more efficient response.

By following these guidelines, you can ensure the safe use and handling of your Perfect Carbine Case. Thank you for your attention to safety. Enjoy your time at the range!
