

PERFECT CARBINE CASE - ARMAGEDDON GEAR 42 PERFECT CARBINE CASE COYOTE

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

This compact, but fully featured carbine case is available in 35" and 42" versions to accept AR15s or AR10s and similar rifles. The 35" version is perfect for a 16" barreled carbine. The 42" version is perfect for a 16"-18" barreled carbine with a suppressor attached. No more removing that can every time you go to or from the range! Plenty of pockets and a wide shoulder strap make it easy to transport spare magazines, ammo, your data book or cleaning supplies to the range. Milspec 1000 Denier solution-dyed Cordura nylon handles hard use with ease and high-density closed-cell foam padding protects valuable weapons and optics. An adjustable shoulder strap comes in handy when you're carrying too much gear to the range like we always do. Like everything Armageddon Gear manufactures, the Perfect Carbine Case is made in the USA!

Safety Instruction Guide for the Perfect Carbine Case

Introduction

Thank you for choosing the Perfect Carbine Case by Armageddon Gear. This guide provides important safety information and instructions for the proper use of your carbine case. Please read this document carefully to ensure safe handling and optimal performance of your product.

General Safety Guidelines

- Ensure that the carbine case is used only for its intended purpose, which is to transport firearms and related equipment.
- Keep the case away from children and unauthorized users to prevent accidents.
- Regularly inspect the case for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Store the case in a dry and secure location when not in use to prevent degradation of materials.
- Follow all local laws and regulations regarding firearm transport and storage.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the carbine case; overloading may compromise its integrity and your safety.
- Be cautious when placing firearms into the case, ensuring that the firearm is unloaded and the safety is engaged.
- Avoid exposing the case to extreme temperatures or harsh environmental conditions, as this may damage the materials.
- When using the shoulder strap, ensure it is securely attached to prevent accidental dropping of the case.
- Do not use the case to transport hazardous materials or items that are not firearms or related accessories.

Instructions for Installation and Usage

1. Preparing the Case:

- Unzip all compartments and ensure the interior is clear of any debris.
- Check that all pockets are functioning properly.

2. Loading the Firearm:

- Ensure the firearm is unloaded and the safety is engaged.
- Place the firearm within the case, ensuring it is properly positioned and secured.
- Use any provided straps or Velcro to secure the firearm in place to prevent movement during transport.

3. Storing Accessories:

- Utilize the various pockets for storing magazines, ammunition, and cleaning supplies.
- Ensure that all items are securely stored and do not protrude from the case.

4. Carrying the Case:

- Use the padded shoulder strap for comfortable transport.

- Adjust the strap length as needed to ensure a secure fit.
- When carrying, maintain awareness of your surroundings to avoid tripping or dropping the case.

5. Unloading the Firearm:

- When you reach your destination, place the case on a stable surface.
- Carefully unzip the case and remove the firearm, ensuring it remains pointed in a safe direction.

Disposal Instructions

- When the case reaches the end of its usable life, dispose of it responsibly.
- Check local regulations for proper disposal methods for nylon and other materials.
- Consider recycling the case if possible, or contact local waste management for guidance.

Contact Information for Further Support

For inquiries regarding safety, usage, or product support, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your Perfect Carbine Case.
