

# 40/40 AMMO POCKET - ARMAGEDDON GEAR 40/40 AMMO POCKET S/A BLACK

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

If you've ever fought with wet cardboard ammo boxes in the bottom of your pack during a rainy match day, or tried to stick a big plastic box of your reloads in your backpack to bang around and get broken then you already understand what the big deal is. The 40/40 Ammo Holder (plus the couple loaded mags you have on hand) finally provides a secure and quiet way to tote enough ammo for a day of match shooting in all conditions. Opposing Velcro on the back of each panel lets you keep two halves together for a match day, just take half for a quick range trip, or stick these on the loop Velcro fields common to many packs and cases. This is one of those solutions that you instantly love once you try it out. Holds 80 rounds of ammo as lovingly as a brown paper sack cradles an ice-cold cold 40. Hard plastic ammo inserts are included, but the inserts from Hornady ammo fit perfectly, too. Available in Short Action model (6mm, 6.5 Creedmoor, 308 Winchester, etc.) Short Action Magnum coming soon. Like everything we manufacture, the 40/40 Ammo Holder is proudly made in the USA.

# 40/40 Ammo Pocket Safety Instruction Guide

## Introduction

Thank you for choosing the 40/40 Ammo Pocket by Armageddon Gear. This product is designed to securely hold ammunition, ensuring safe use during shooting activities. Please read and follow these safety instructions carefully to maximize your safety and the product's effectiveness.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as an ammo holder.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local and national laws regarding the storage and transportation of ammunition.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle ammunition with care and ensure it is stored securely in the holder.
- Do not overload the ammo pocket beyond its capacity of 80 rounds.
- Avoid exposing the product to extreme temperatures or moisture, which may affect its integrity.
- Ensure that the Velcro panels are securely fastened during use to prevent accidental opening.
- When transporting, ensure the ammo pocket is secured within your pack to avoid movement that could lead to damage.

## Instructions for Installation and Usage

- **Installation:**

1. Open the Velcro panels on the back of the ammo pocket.
2. Attach the ammo pocket to a compatible loop Velcro field on your backpack or case, ensuring a secure fit.
3. If using the product independently, ensure the Velcro panels are properly aligned and fastened.

- **Usage:**

1. Load your ammunition into the pocket, ensuring it does not exceed the 80round capacity.
2. Close the Velcro panels securely to prevent the ammunition from falling out.
3. When ready to use, simply detach the ammo pocket from your pack or case as needed.
4. After use, store the ammo pocket in a cool, dry place to maintain its condition.

## Disposal Instructions

- Dispose of the product responsibly at the end of its life cycle. Check local regulations for proper disposal methods of plastic and fabric materials.
- If the product is damaged or no longer usable, ensure that it is disposed of in a way that prevents any potential hazards.

## Contact Information for Further Support

For any inquiries or further support regarding the 40/40 Ammo Pocket, please contact the manufacturer or your retailer directly. Ensure you have your purchase information ready for assistance.

By following these guidelines, you can ensure safe and effective use of your 40/40 Ammo Pocket. Thank you for

your attention to safety and compliance. Enjoy your shooting experience!
