

# BROKOS DUMP POUCH - ARMAGEDDON GEAR BROKOS DUMP POUCH COYOTE

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The LFT dump pouch by Armageddon Gear is built like a brick sh!thouse. With incredibly rugged materials and construction, this dump pouch is the product of years of combat experience and refinement of design. The reinforced top opening features a rigid scuba webbing liner to ensure the mouth of the pouch stays open, like it should, to receive your spent mags and other quickly stowed gear. Heavy duty mesh body allows water, dirt and debris to flow through rather than accumulate in your gear. Velcro top strap can be stowed inside the pouch or used to secure rolled pouch for a reduced size until needed. The reinforced hanger panel has attached weaving straps for use on PALS webbing and a belt channel for use directly on a gun belt. Be sure to check out the Brokos Belt here: [Armageddon Gear Brokos Belt](#) Like everything we make, the Armageddon Gear LFT Dump Pouch is proudly made in the USA.

# Safety Instruction Guide for BROKOS DUMP POUCH

## Introduction

Thank you for choosing the BROKOS Dump Pouch by Armageddon Gear. This product has been designed with durability and functionality in mind, ensuring it meets the needs of users in various environments. This safety instruction guide provides essential information to ensure the safe use of the dump pouch in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the dump pouch is used only for its intended purpose as an ammo carrier and storage for spent magazines and gear.
- Always inspect the dump pouch for any signs of damage or wear before use. Do not use if damaged.
- Keep the dump pouch out of reach of children and vulnerable individuals to prevent accidents.
- Regularly check for product recalls or safety updates on the EU's Safety Gate platform.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Avoid overloading the pouch beyond its intended capacity to maintain structural integrity.
- Do not expose the dump pouch to extreme heat sources, as this may compromise the materials.
- Ensure that the pouch is securely attached to your gear or belt to prevent accidental detachment during use.
- Be cautious when accessing items from the pouch while in motion to avoid spills or accidents.
- If using the pouch in wet conditions, ensure that the mesh body is clear of debris to allow for proper drainage.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the reinforced hanger panel on the back of the pouch.
- Attach the pouch to PALS webbing or a gun belt using the attached weaving straps or belt channel.
- Ensure that the pouch is securely fastened and does not move when pulled.

### 2. Usage:

- Open the pouch by pulling the reinforced top opening.
- Place spent magazines and gear inside the pouch, ensuring that the mouth remains open for easy access.
- When not in use, the Velcro top strap can be stowed inside the pouch or used to secure the pouch in a rolled position for compact storage.
- Regularly check the contents to ensure they are secure and that the pouch remains in good condition.

## Disposal Instructions

- Dispose of the BROKOS Dump Pouch in accordance with local regulations regarding textile and plastic waste.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the pouch in regular household waste if it can be recycled.
