Safety Instructions for Replacement Scope Caps

Hawkins Precision 30mm Standard Level Cap

Introduction

Thank you for choosing the Replacement Scope Caps from Hawkins Precision. These caps are designed to provide reliable protection for your scope rings and mounts. This guide contains important safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the scope caps are compatible with your specific scope rings and mounts.
- Always inspect the scope caps before use for any signs of damage or wear.
- Keep the product out of reach of children to prevent potential hazards.
- Follow all instructions provided in this guide to avoid injury or damage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the scope caps if they are damaged or show signs of wear.
- Ensure that the caps are securely fastened to prevent them from falling off during use.
- Avoid exposing the scope caps to extreme temperatures or harsh chemicals that may affect their integrity.
- Use only as intended; do not modify or alter the scope caps in any way.
- If you experience any difficulty in using the scope caps, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your scope rings and mounts are clean and free of debris.
- Align the replacement scope cap with the scope ring or mount.
- Gently press the cap into place until you hear a click, indicating it is securely fastened.
- Repeat the process for the other cap if applicable.

2. Usage:

- After installation, check that both caps are securely attached before using your scope.
- When not in use, keep the caps on to protect your scope from dust and debris.
- Regularly check the caps during use to ensure they remain secure.

Disposal Instructions

- Dispose of the scope caps in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the product if facilities are available.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact your local authorized dealer or refer to the manufacturer's website.

By following these safety instructions, you can ensure the safe use of your Replacement Scope Caps from Hawkins Precision. Thank you for your attention to these important guidelines.
