# Safety Instruction Guide for Replacement Scope Caps Hawkins Precision 34mm Standard Level Cap

## Introduction

Thank you for choosing the Replacement Scope Caps from Hawkins Precision. This guide provides essential safety information to ensure the safe use and installation of your product. Please read this guide carefully before using the scope caps.

## General Safety Guidelines

- Ensure that the scope caps are compatible with your specific Hawkins Precision scope rings and mounts.
- Regularly inspect the scope caps for any signs of damage or wear. Do not use damaged caps.
- Keep the scope caps out of reach of children and pets to prevent accidental ingestion or injury.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Always verify that the scope caps are securely attached before use.
- Avoid exposing the scope caps to extreme temperatures or harsh chemicals that may cause deterioration.
- Do not attempt to modify the scope caps in any way, as this may compromise their safety and effectiveness.
- If you experience any issues with the scope caps, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the scope is properly mounted on your firearm before installing the scope caps.
- Align the scope caps with the scope rings, ensuring a snug fit.
- Press down firmly until the caps click into place, indicating they are securely attached.

### 2. Usage

- Always check that the scope caps are properly sealed before heading out for use.
- Remove the caps gently to avoid damaging the scope or the caps themselves.
- After use, clean the caps with a soft cloth to remove dirt and debris before reattaching.

## Disposal Instructions

- Dispose of the scope caps in accordance with local regulations for aluminum recycling.
- Do not dispose of the caps in household waste.
- If the scope caps are damaged beyond use, contact your local waste management facility for guidance on proper disposal.

## Contact Information for Further Support

For any inquiries or support regarding the Replacement Scope Caps, please consult your retailer or the manufacturer's website for further information.

Thank you for your attention to these safety guidelines. Your safety is our priority.
