# Safety Instruction Guide for 3LUG/BLASTWAVE WRENCH

## Introduction

Thank you for choosing the 3LUG/BLASTWAVE WRENCH by Angstadt Arms. This twosided tool is designed to provide a 3Lug wrench for the installation and removal of 9mm 3Lug muzzle devices and the Angstadt Arms QD Blast Shield. Proper use and safety precautions are essential to ensure your safety and the safety of others. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the tool is used only for its intended purpose as specified in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- Keep the tool and its components out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before each use. Do not use if damaged.
- Store the tool in a safe, dry place when not in use to prevent accidents.
- Report any unsafe conditions or incidents involving this tool to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the wrench on any device that is not compatible with the 3Lug system.
- Ensure that the muzzle device is securely attached before using the wrench to prevent accidents.
- Avoid using excessive force when operating the tool, as this may lead to tool failure or injury.
- Always follow the manufacturer's instructions for the specific muzzle device you are working with.
- Be cautious of sharp edges or moving parts when using the wrench.
- If you are inexperienced or unsure about using this tool, seek assistance from a qualified individual.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components before beginning the installation.

### 2. Using the 3Lug Wrench:

- Align the 3Lug wrench with the muzzle device.
- Turn the wrench clockwise to tighten or counterclockwise to loosen the device.
- Ensure that the wrench fits securely onto the device to avoid slipping.

### 3. Using the Blast Shield:

- Attach the QD Blast Shield according to the manufacturer's instructions.
- Ensure all connections are secure before use.

### 4. PostUse:

- After completing the installation or removal, inspect the tool and the muzzle device for any issues.
- Clean the tool as needed and store it properly.

## **Disposal Instructions**

- When the tool has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries or further support regarding the 3LUG/BLASTWAVE WRENCH, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
