MIDAS TAC HD 624X50MM FFP RIFLE SCOPE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MIDAS TAC HD 624X50MM FFP RIFLE SCOPE. This product has been designed with your safety and satisfaction in mind. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that all users are familiar with the safety features and operational instructions of the rifle scope.
- Always handle the rifle scope with care to avoid damage or injury.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of rifle scopes and firearms.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope to prevent eye injuries.
- **Mounting:** Ensure the rifle scope is securely mounted to the firearm before use. A loose scope can lead to inaccurate shooting and potential accidents.
- **Adjustment Turrets:** Be cautious when adjusting the windage and elevation turrets. Ensure that adjustments are made deliberately and check settings before shooting.
- **Moisture and Dust:** Avoid exposing the rifle scope to excessive moisture or dust. Clean the lenses with a soft, dry cloth to maintain visibility.
- **Storage:** Store the rifle scope in a cool, dry place when not in use. Use the provided protective caps to shield the lenses from dust and scratches.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable mounting location on your firearm that allows for optimal eye alignment.
- Securely attach the rifle scope to the mounting base, ensuring it is level and aligned with the barrel.
- Tighten all screws and fasteners according to the manufacturer's specifications to prevent movement during use.

2. Usage:

- Before using the scope, adjust the eye relief to ensure a comfortable viewing position.
- Set the magnification to the desired level (minimum 6x to maximum 24x) based on your shooting needs.
- Use the APLR4 FFP MOA reticle for accurate targeting. Familiarize yourself with its features before engaging in shooting activities.
- Always ensure that the rifle is pointed in a safe direction and that the area is clear of people and obstacles before taking a shot.

Disposal Instructions

- Dispose of the rifle scope responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MIDAS TAC HD 624X50MM FFP RIFLE SCOPE, please reach out to the manufacturer or consult your retailer for assistance. Always ensure you have the latest safety information and product updates.

Thank you for your attention to these safety instructions. Enjoy using your MIDAS TAC HD 624X50MM FFP RIFLE SCOPE responsibly and safely.
