MIDAS TAC HD 624X50MM FFP RIFLE SCOPE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MIDAS TAC HD 624X50MM FFP Rifle Scope. This product has been designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure safe and proper use of your rifle scope.

General Safety Guidelines

- Ensure that the rifle scope is used only by individuals who are familiar with firearms and optics.
- Always handle firearms and optics with care to prevent accidents.
- Follow all local laws and regulations regarding the use of firearms and scopes.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly check the scope for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this scope.
- **Mounting:** Ensure the scope is securely mounted on the firearm to prevent it from coming loose during use.
- **Zeroing:** Properly zero your scope before use to ensure accuracy. Follow the manufacturer's instructions for zeroing.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions (heavy rain, fog, etc.) that may impair visibility.
- **Transportation:** When transporting the firearm with the scope attached, ensure it is in a secure case to prevent damage.

Instructions for Installation and Usage

1. Installation:

- Select a suitable mounting location on your firearm.
- Securely attach the scope to the mounting base using the provided rings and screws.
- Ensure that the scope is level and aligned with the barrel of the firearm.
- Tighten all screws to the manufacturer's specifications to prevent loosening during operation.

2. Usage:

- Before using the scope, make sure the lens covers are removed.
- Adjust the magnification by rotating the magnification ring to the desired setting (6x to 24x).
- Use the parallax adjustment knob (if available) to focus the reticle on the target at various distances.
- When aiming, maintain a proper shooting stance and ensure a clear line of sight to the target.
- After use, replace the lens covers to protect the optics from dust and scratches.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste and materials.
- If the scope is damaged or no longer functional, consider recycling components where possible.

- Do not dispose of the scope in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for your attention to these safety guidelines. Enjoy your MIDAS TAC HD 624X50MM FFP Rifle Scope responsibly!
