

# MIDAS TAC HD 5-25X56MM FFP RIFLE SCOPE - MIDAS TAC HD 5-25X56MM FFP APLR4 MOA RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The big brother in the Midas TAC family, this 5-25×56 first focal plane Long Range Scope gives you even more versatility. A minimum parallax of 25 yards and 32 Mils of elevation travel makes this scope perfect for close range rimfire or long range engagement with standard and magnum calibers. HD glass and advanced Fully Multi-Coated lenses enhance target appearance at all distances. A true precision Zero Stop for a repeatable return to zero and a capped windage turret give confidence you'll be able to make the shot.

## Attributes

# MIDAS TAC HD 525X56MM FFP RIFLE SCOPE

## SAFETY INSTRUCTION GUIDE

### Introduction

Thank you for choosing the MIDAS TAC HD 525X56MM FFP Rifle Scope. This guide provides essential safety information to ensure the safe and effective use of your rifle scope. Please read this guide thoroughly before using the product.

### General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose. It is designed for longrange shooting and should not be used for any other activities.
- Always handle the rifle scope and firearm with care to prevent accidents.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or malfunction before each use.
- If you notice any unusual behavior or defects, discontinue use immediately and seek professional assistance.
- Ensure that you are familiar with local laws and regulations regarding the use of firearms and rifle scopes.

### Specific Safety Precautions for Use

- Always wear eye protection when using firearms equipped with the rifle scope.
- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that there are no people or animals in your line of fire.
- Do not attempt to disassemble or modify the rifle scope. This could lead to malfunctions and safety hazards.
- Avoid using the rifle scope in extreme weather conditions, such as heavy rain or snow, which may affect its performance.
- Do not use the rifle scope while under the influence of alcohol or drugs.
- Follow all manufacturer instructions regarding the mounting and adjustment of the rifle scope.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that the firearm is unloaded and safe before attaching the rifle scope.
- Mount the rifle scope securely to the firearm using the appropriate rings and bases. Follow the manufacturer's recommendations for mounting.
- Adjust the scope to the desired position to ensure proper eye relief.

#### 2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired power setting.
- Use the elevation and windage turrets to make necessary adjustments for accurate shooting.
- Always return to zero after making adjustments to ensure consistency in your shots.
- If applicable, check the reticle illumination settings and adjust as needed for optimal visibility.

### Disposal Instructions

- Dispose of the rifle scope in accordance with local waste management regulations.
- Do not dispose of the rifle scope in regular household waste.
- If the rifle scope is damaged beyond repair, consider recycling components where possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the MIDAS TAC HD 525X56MM FFP Rifle Scope, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MIDAS TAC HD 525X56MM FFP Rifle Scope. Thank you for your attention to safety, and happy shooting!
