

# **MIDAS TAC HD 5-25X56MM FFP RIFLE SCOPE - MIDAS TAC HD 5-25X56MM FFP APLR3 MIL RETICLE BLACK**

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The big brother in the Midas TAC family, this 5-25x56 first focal plane Long Range Scope gives you even more versatility. A minimum parallax of 25 yards and 32 Mils of elevation travel makes this scope perfect for close range rimfire or long range engagement with standard and magnum calibers. HD glass and advanced Fully Multi-Coated lenses enhance target appearance at all distances. A true precision Zero Stop for a repeatable return to zero and a capped windage turret give confidence you'll be able to make the shot.

## **Attributes**

- Name: [MIDAS TAC HD 5-25X56MM FFP APLR3 MIL RETICLE BLACK](#)
- Manufacturer: [ATHLON OPTICS](#)
- Product no.: 100039637
- Mfr. No.: 213081
- Battery: None
- Click Value: 0.1 MRAD
- Click Value: 0.1 MRAD
- Eye Relief: 3.70"
- Finish: Matte Black
- Focal Plane: First
- Illumination: No
- Length: 15.4"
- Max Magnification: 25x
- Min. Magnification: 5x
- Model Number: Midas TAC (Tactical)
- Objective Size: 56mm
- Reticle: APRS3 FFP MIL
- Tube Size: 34mm
- Weight: 30.0 oz
- Delivery weight: 1.86kg
- Shipping height: 121mm
- Shipping width: 130mm
- Shipping length: 421mm
- UPC: 813869021648

# Safety Instruction Guide for MIDAS TAC HD 525X56MM FFP Rifle Scope

## Introduction

Thank you for choosing the MIDAS TAC HD 525X56MM FFP Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe use of your rifle scope. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always handle firearms and accessories with care and responsibility.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly check the scope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and optical equipment.

## Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use appropriate eye protection when using firearms equipped with this scope.
- **Check Mounting:** Ensure that the scope is securely mounted to the rifle before use. A loose scope can affect accuracy and safety.
- **Parallax Adjustment:** Be aware of the minimum parallax setting of 25 yards. Use the scope only within the specified range to avoid misalignment.
- **Elevation Travel:** Understand the elevation travel of 32 Mils to prevent overadjustment which can lead to misfiring.
- **Reticle Visibility:** Ensure that the APRS3 FFP MIL reticle is clearly visible before taking aim. If the reticle is not visible, do not attempt to use the scope.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting base compatible with a 34mm tube size.
- Securely attach the scope to the rifle using appropriate mounting rings.
- Ensure the scope is level and aligned with the rifle's barrel.

### 2. Zeroing the Scope:

- Use a stable shooting platform to zero the scope.
- Adjust the windage and elevation turrets to align the reticle with the point of impact.
- Confirm zero at various distances to ensure accuracy.

### 3. Using the Scope:

- Adjust the magnification to the desired level (5x to 25x) based on the shooting distance.
- Use the eye relief of 3.70 inches for optimal viewing and to prevent recoil injuries.
- When engaging targets, maintain a stable shooting position and focus on the reticle.

### 4. PostUse Care:

- Clean the lenses with a soft, lintfree cloth to maintain clarity.
- Store the scope in a dry, cool place when not in use.

- Regularly check for any signs of moisture or damage.

## **Disposal Instructions**

- Dispose of the rifle scope in accordance with local regulations.
- If the scope is damaged beyond repair, do not attempt to disassemble it. Instead, contact a professional for safe disposal.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MIDAS TAC HD 525X56MM FFP Rifle Scope, please refer to the manufacturer's contact information included with your product. It is essential to have access to this information for any safetyrelated questions or issues.

Thank you for following these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy using your MIDAS TAC HD Rifle Scope responsibly.
