CZ P10 Extended Magazine Release Safety Instruction Guide

Introduction

Thank you for choosing the CZ P10 Extended Magazine Release by Apex Tactical Specialties Inc. This product is designed to enhance the functionality of your CZ P10 model pistols. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety information, installation instructions, and guidelines for proper use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the magazine release and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Do not attempt to modify the magazine release or any other firearm component beyond the manufacturer's specifications.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the CZ P10 Extended Magazine Release is compatible with your specific model of CZ P10. This product is intended for use with models that have a unidirectional magazine release and is not suitable for the CZ P10c with an ambidextrous magazine release.
- Always verify that the magazine is empty before performing any maintenance or installation procedures.
- Use caution when handling the magazine release during installation. Sharp edges may be present.
- If you experience difficulty operating the magazine release, do not force it. Seek assistance from a qualified gunsmith.
- The magazine release is reversible; ensure it is installed correctly for the intended hand orientation (right or lefthanded).

Instructions for Installation and Usage

Installation Instructions

1. **Safety First:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Magazine Release:**
 - Use a suitable tool to disengage the factory magazine release from the firearm.
 - Carefully remove the factory release and set it aside.
3. **Install the Apex Extended Magazine Release:**
 - Align the Apex Extended Magazine Release with the magazine release slot on your CZ P10.
 - Push the release into place until it clicks securely.
4. **Test the Installation:**
 - Ensure that the magazine release operates smoothly.
 - Check for proper function by inserting and removing the magazine multiple times.
5. **Reversible Feature:** If you need to switch the release for lefthanded use, follow the same steps to remove and reposition the magazine release as needed.

Usage Instructions

- To release the magazine, press the magazine release button firmly.
- Practice using the magazine release with an unloaded magazine to become familiar with its operation.
- Always ensure that the firearm is pointed in a safe direction when using the magazine release.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the magazine release is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the CZ P10 Extended Magazine Release, please contact the manufacturer or refer to the product documentation. Always ensure that you have access to support from knowledgeable professionals when handling firearm accessories.

Thank you for adhering to these safety guidelines. Your safety and the safety of those around you is of utmost importance. Enjoy using your CZ P10 Extended Magazine Release responsibly.
