

# **TORCH 3V/CR123 LIGHT BODY M-LOK - REPTILIA CORP M-LOK BODY LEFT SIDE, TOBACCO**

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

The TORCH™ 3V/CR123 is a replacement body for SureFire® M300 Scout Light® bezels and tail caps. Machined from aircraft grade aluminum, the TORCH features a robust integral M-LOK® mount that is optimized to position the light as tight as possible under a PEQ15 or similar laser device. Available in Blk and flat dark earth milspec Type III hard anodized finish, the TORCH ships with OEM Magpul M-LOK hardware included. Visit [www.magpul.com/m-lok](http://www.magpul.com/m-lok) for additional installation tips and instructions.

# Safety Instruction Guide for TORCH™ 3V/CR123 LIGHT BODY MLOK

## Introduction

Thank you for choosing the TORCH™ 3V/CR123 LIGHT BODY MLOK by REPTILIA CORP. This product is designed to enhance your lighting setup with safety and efficiency in mind. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these guidelines:

- Always use the product as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. If damaged, discontinue use immediately.
- Do not modify or alter the product in any way.
- Ensure that all components are compatible and properly installed before use.
- Be aware of your surroundings when using the product to avoid accidents.

## Specific Safety Precautions for Use

When using the TORCH™ 3V/CR123 LIGHT BODY MLOK, please observe the following precautions:

- Avoid direct contact with hot surfaces or components during and after use.
- Ensure the light is securely mounted to prevent accidental detachment.
- Use only the recommended batteries (CR123) to prevent overheating or leakage.
- Do not expose the product to extreme temperatures or moisture.
- If the light flickers or malfunctions, turn it off immediately and check for issues.
- Always wear appropriate eye protection when using the light in tactical situations.

## Instructions for Installation and Usage

Follow these steps for safe installation and usage of the TORCH™ 3V/CR123 LIGHT BODY MLOK:

### 1. Installation

- Ensure you have the necessary tools and components before starting the installation.
- Remove the existing bezel and tail cap from your SureFire® M300 Scout Light®.
- Align the TORCH™ body with the MLOK® mount on your device.
- Secure the body using the included OEM Magpul MLOK hardware. Ensure it is tightened appropriately but do not overtighten.
- Doublecheck that the installation is secure before proceeding to use the product.

### 2. Usage

- Insert the recommended CR123 batteries into the TORCH™ body following the polarity indications.
- Turn on the light using the tail cap switch. Ensure it operates correctly.
- Adjust the angle and position of the light as necessary for optimal illumination.
- After use, turn off the light and remove the batteries if the light will not be used for an extended period.

## Disposal Instructions

Proper disposal of the TORCH™ 3V/CR123 LIGHT BODY MLOK and its components is essential for environmental protection:

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Remove batteries and recycle them at designated battery recycling points.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any inquiries or concerns regarding the TORCH™ 3V/CR123 LIGHT BODY MLOK, please refer to the manufacturer's website for contact information and additional resources.

## Conclusion

Following these safety instructions will help ensure a safe and effective experience with your TORCH™ 3V/CR123 LIGHT BODY MLOK. Always prioritize safety and stay informed about any updates regarding product safety and recalls. Thank you for your attention to these guidelines.
