TORCH 18650 Light Body Safety Instructions

Introduction

Thank you for choosing the TORCH™ 18650 Light Body with Integral MLOK® Mount by REPTILIA CORP. This product is designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify or disassemble the product; this may compromise safety.
- Follow all local laws and regulations regarding the use of weapon lights.

Specific Safety Precautions for Use

- Avoid direct exposure to bright light from the TORCH; it may cause temporary blindness or discomfort.
- Do not use the product in wet or damp conditions unless explicitly stated as waterresistant.
- Ensure that the MLOK interface is properly secured before use to prevent accidental dislodging.
- Be aware of your surroundings when using the product to avoid accidents or injuries.
- If any malfunction occurs, cease use immediately and consult a qualified technician.

Instructions for Installation and Usage

Installation

1. **Prepare the Surface:** Ensure that the mounting surface is clean and free of debris.
2. **Align the MLOK Interface:** Position the TORCH 18650 Light Body against the MLOK rail at the desired location.
3. **Secure the Mount:** Use the provided hardware to tighten the TORCH securely onto the MLOK rail, ensuring it is firmly attached.
4. **Check Stability:** Gently tug on the light to confirm that it is securely mounted and does not move.

Usage

1. **Power On:** Activate the TORCH by pressing the designated switch. Ensure your grip is secure.
2. **Adjust Brightness:** If applicable, adjust the brightness settings according to your needs.
3. **Monitor Battery Level:** Regularly check the battery level and replace the battery as needed to ensure optimal performance.
4. **Power Off:** Always turn off the TORCH when not in use to conserve battery life.

Disposal Instructions

- Dispose of the TORCH 18650 Light Body in accordance with local waste management regulations.
- Remove the battery before disposal and recycle it according to local battery recycling guidelines.
- Do not dispose of the product in household waste; use designated electronic waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or support regarding the TORCH 18650 Light Body, please refer to the designated contact point provided in the product packaging or user manual.

Thank you for prioritizing safety while using the TORCH 18650 Light Body. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
