TORCH 18650 Light Body Safety Instructions

Introduction

Thank you for choosing the TORCH™ 18650 Light Body with Integral MLOK® Mount. This product is designed for safe and effective use with various aiming laser devices. Please read this safety instruction guide carefully to ensure proper handling, installation, and usage of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local regulations regarding the use of weapon lights and aiming devices.
- Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not expose the TORCH 18650 Light Body to extreme temperatures or harsh environmental conditions.
- Avoid direct contact with the light beam during operation to prevent eye injury.
- Ensure that the MLOK mounting interface is securely attached before use to avoid accidental detachment.
- Do not modify or attempt to repair the product on your own. Seek professional assistance for any repairs.
- Use only compatible bezels and tail caps (Modlite® 18650 and SureFire® Dual Fuel Scout) to ensure safe operation.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Identify the MLOK mounting location on your firearm.
- Align the TORCH 18650 Light Body with the MLOK slots.
- Secure the light body by tightening the mounting screws until snug. Avoid overtightening.

2. Usage:

- Activate the light by pressing the designated switch. Ensure your grip allows for safe handling while operating.
- Do not leave the light activated for prolonged periods to prevent overheating.
- Regularly check the battery level and replace as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the TORCH 18650 Light Body in accordance with local regulations for electronic waste.
- Remove batteries before disposal, and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the product packaging for contact information or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others are our top

priority.
