# MCX VIRTUS HANGUARDS Safety Instruction Guide

## Introduction

Thank you for choosing the MCX Virtus 15" Handguard. This product has been designed with advanced ergonomic features to enhance your experience. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always check the product for any visible damage before installation or use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as alterations may compromise safety and performance.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe products or incidents to local authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Always ensure that the firearm is unloaded before beginning installation of the handguard.
- **Use of Tools:** Use appropriate tools for installation. Do not use excessive force, which may damage the product or firearm.
- **Heat Awareness:** Be cautious of heat buildup during use, especially after extended firing sessions. Allow the handguard to cool before handling.
- **Secure Attachment:** Ensure that the handguard is securely attached to the firearm to prevent accidents during handling or operation.
- **Regular Maintenance:** Regularly inspect the handguard for wear and tear. Replace any damaged components immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your MCX Virtus firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a wrench and any other tools specified in the installation manual.

### 2. Installation:

- Remove the existing handguard by following the firearm manufacturer's instructions.
- Align the MCX Virtus handguard with the mounting points on the firearm.
- Secure the handguard using the provided retaining clip and screws. Ensure all fasteners are tightened to the manufacturer's specifications.
- Attach the M Lok compatible rail section if additional mounting points are needed.

### 3. Post Installation Check:

- Verify that the handguard is securely mounted and does not move.
- Check that all attachments are functioning correctly and do not obstruct the operation of the firearm.

#### 4. Usage:

- Use the handguard as intended, ensuring proper grip and control during operation.
- Always adhere to safe handling practices when operating your firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the handguard in regular household waste.
- Consider recycling options for aluminum components where available.

## Contact Information for Further Support

For any questions or concerns regarding the MCX Virtus Handguard, please refer to the manufacturer's website or customer support channels for assistance. Always ensure that you have the latest information regarding safety and product updates.

Thank you for your attention to these safety guidelines. Enjoy your MCX Virtus Handguard responsibly and safely!
