

# G9 TRAINING MAGAZINE FOR GLOCK™ 9MM/40S&W DOUBLE STACK - DRYFIREMAG G9 FOR GLOCK 9MM/40S&W STANDARD TRIGGER WEIGHT

[Shooting Accessories](#) > [Training & Safety Gear](#) > [Training & Simulation](#)

The DryFireMag is the only trigger reset mechanism that fits in the magazine well of pistols, allows practice without racking the slide to build proper muscle memory, and replicates the feel of real trigger release. The DryFireMag gives you an audible and tactile response with each press of the trigger yet does not use the firing pin and requires no alterations to your handgun allowing you to go from the range to dry fire practice with ease. Available as the Standard Trigger Weight and the Spring Pack. The Standard Trigger Weight comes pre-set for the Glock factory trigger weight of 5.5-6lbs. The Spring Pack model comes with 5 additional springs you can change out to achieve different trigger pull weights. Springs included provide the following pull weights in addition to the factory 5.5-6lbs. 3 ¼ - 3 ¾lbs 4 ½ - 4 ¾lbs. 6 ¾ - 7 ¼lbs. 8 ½ - 9lbs. 10lbs These DryFireMags will fit the following models: 9mm G17 G19 G19X G45 G26 G34 .40 S&W G22 G23 G27 G35 .357 Sig G31 G32 G33 .45 GAP G37 G38 G39 Not compatible with single stack pistols. Please note, firing pin activated laser trainers will not work with the DryFireMag. Set at factory trigger pull weight. Included with the DryFireMag is one lighter spring to lighten trigger pull and an Allen wrench to adjust pretravel, if needed.

## 9mm/40S&W Safety Instruction Guide

### Introduction

Thank you for choosing the G9 Training Magazine for Glock™ 9mm/40S&W. This guide provides essential safety information to ensure the safe and effective use of your DryFireMag. Please read this guide thoroughly before use.

### General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always treat your firearm as if it is loaded, even when using the DryFireMag.
- Keep the DryFireMag out of reach of children and unauthorized users.
- Regularly inspect the DryFireMag for any signs of wear or damage before use.
- Do not use the DryFireMag with single stack pistols.
- Firing pin activated laser trainers will not work with the DryFireMag.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Only use the DryFireMag with compatible Glock models as listed in the product description.
- Do not attempt to modify or alter the DryFireMag in any way.
- Always ensure that the firearm is pointed in a safe direction when practicing with the DryFireMag.
- Only practice in a safe environment where you have permission to use a firearm.
- Use the lighter spring included with the DryFireMag to adjust trigger pull weight only if you are familiar with such adjustments.
- Ensure that the Allen wrench is used properly to avoid damaging the DryFireMag.

### Instructions for Installation and Usage

#### 1. Installation:

- Remove the magazine from your firearm.
- Insert the DryFireMag into the magazine well of your Glock.
- Ensure that it is seated properly and securely.

#### 2. Adjusting Trigger Weight:

- If you wish to change the trigger pull weight, use the Allen wrench provided to adjust the pretravel.
- Replace the spring according to the desired weight from the Spring Pack. Follow these weights:
  - Factory: 5.56 lbs
  - 3 ¼ 3 ¾ lbs
  - 4 ½ 4 ¾ lbs
  - 6 ¾ 7 ¼ lbs
  - 8 ½ 9 lbs
  - 10 lbs

#### 3. Practice:

- Begin practicing your trigger pull without racking the slide.
- Focus on building muscle memory by feeling the audible and tactile response of the DryFireMag.

#### **4. PostUse:**

- Remove the DryFireMag from the firearm after practice.
- Store the DryFireMag in a safe location away from children and unauthorized users.

### **Disposal Instructions**

- Dispose of the DryFireMag in accordance with local regulations for electronic waste and nonfood products.
- Do not dispose of the DryFireMag in regular household waste.

### **Contact Information for Further Support**

For any questions or concerns regarding the G9 Training Magazine for Glock™ 9mm/40S&W, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the G9 Training Magazine. Enjoy your training and practice responsibly!
