SURESHELL ALUMINUM CARRIERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SURESHELL Aluminum Carriers by Mesa Tactical Products. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document thoroughly before using the SURESHELL Aluminum Carrier for your Remington V3 shotgun.

General Safety Guidelines

- Always inspect the product before use for any signs of damage or wear.
- Ensure that the carrier is securely attached to the shotgun before loading ammunition.
- Use only compatible ammunition and avoid overloading the carrier beyond its specified capacity.
- Keep the product out of reach of children and unauthorized users.
- Store the carrier in a safe location when not in use to prevent accidents.
- Report any unsafe product conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Caliber Compatibility:** This carrier is designed for 12 Gauge ammunition only. Using incompatible calibers may result in malfunction or injury.
- **Capacity:** The carrier holds a maximum of 6 rounds. Do not exceed this limit to ensure safe handling and operation.
- **Proper Handling:** Always handle the shotgun with care, following all firearm safety protocols. Treat every firearm as if it is loaded.
- **Loading and Unloading:** Load and unload ammunition in a safe environment, away from people and animals. Always point the firearm in a safe direction.
- **Transporting:** When transporting your shotgun with the SURESHELL Aluminum Carrier, ensure that the firearm is unloaded and secured.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Align the aluminum carrier with the designated mounting points on the Remington V3 shotgun.
- Securely attach the carrier using the provided hardware, ensuring it is firmly in place.

2. Usage:

- Load the carrier with up to 6 rounds of 12 Gauge ammunition.
- Check that the ammunition is properly seated in the carrier.
- When ready to use, ensure that the shotgun is in a safe position and follow standard firearm safety practices.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the product in regular household waste.
- For further disposal options, consult your local waste management authority.

Contact Information for Further Support

For any questions or concerns regarding the SURESHELL Aluminum Carrier, please refer to the manufacturer's contact information included with your product packaging. Ensure you have the product details ready for efficient assistance.

This safety instruction guide is designed to help you use the SURESHELL Aluminum Carrier safely and effectively. Always prioritize safety and adhere to all guidelines to ensure a secure experience. Thank you for your attention to these important safety measures.
