

# UNIVERSAL BRASS CATCHER - TACSTAR UNIVERSAL BRASS CATCHER

[Shooting Accessories](#) > [Range Gear](#) > [Shell Catchers & Deflectors](#)

TacStar's Universal Brass Catcher is the perfect accessory for shooters who reload. No more walking around bent over trying to find where your brass flew! The Universal Brass Catcher uses a velcro strap to attached securely around the stock. No firearm modifications are needed. The heat resistant catch bag can hold up to 60 .223 cases. When you are ready to empty the bag, simply unzip the bottom of the bag and dump out the shells.

# TacStar Universal Brass Catcher Safety Instructions

## Introduction

Thank you for choosing the TacStar Universal Brass Catcher. This product is designed to enhance your shooting experience by collecting spent brass casings efficiently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the brass catcher is used only with compatible firearms.
- Always handle firearms with care and follow all standard safety practices.
- Regularly inspect the brass catcher for any signs of wear or damage before each use.
- Keep the brass catcher out of reach of children and vulnerable individuals when not in use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the maximum capacity of 60 .223 cases in the catch bag.
- Ensure the velcro strap is securely fastened around the stock before use.
- Avoid using the brass catcher in adverse weather conditions, such as heavy rain or strong winds.
- If the catch bag becomes damaged, discontinue use immediately and replace it.
- Always wear appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Installation

- Identify the stock of your firearm where the brass catcher will be attached.
- Open the velcro strap on the brass catcher.
- Position the brass catcher around the stock and secure the velcro strap tightly.
- Ensure the catch bag is positioned correctly to collect spent brass.

### 2. Usage

- Load and use your firearm as per standard shooting practices.
- Monitor the catch bag for fullness. Do not exceed the capacity of 60 .223 cases.
- When you are ready to empty the bag, hold it over a suitable container.
- Unzip the bottom of the catch bag and allow the shells to fall out.

## Disposal Instructions

- Dispose of the spent brass casings according to local regulations.
- If the brass catcher or any of its components are damaged beyond repair, dispose of them in accordance with local waste management guidelines.

## Contact Information for Further Support

For any inquiries regarding the TacStar Universal Brass Catcher, please refer to the manufacturer's contact details provided on the product packaging or user manual.

Thank you for prioritizing safety while enjoying your shooting experience with the TacStar Universal Brass

Catcher.
