## 1911 EJECTOR PIN FIXTURE

[Gunsmith Tools](#) > [Handgun Tools](#) > [Action & Frame Tools](#) > [Ejector Tools](#)

### Don't Let Your Ejector Pin be a Weak Link

**What It Does:** The Apex Ejector Pin Fixture is designed to securely hold the ejector to the frame of any 1911 or 2011. This ensures that the proper relationship of the Ejector / Frame / Ejector Pin hole are maintained while fitting a new ejector. The Apex Ejector Pin Fixture is machined from a billet of steel and Melonite finished for enhanced durability. Brass tipped set screws position the ejector without marring ejector or frame. **Expected Results:** The Apex Ejector Pin Fixture anchors the ejector to the frame and allows the end user to precisely locate where to notch the ejector leg for a perfect fit. **Applicable To What Guns:** Designed to fit most 1911 and 2011 frames and allow for repeatable, professional results.

# Safety Instruction Guide for the 1911 Ejector Pin Fixture

## Introduction

Thank you for choosing the 1911 Ejector Pin Fixture from Apex Tactical Specialties Inc. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the fixture.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling tools and equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the fixture for signs of wear or damage before use. Do not use if damaged.
- Follow local regulations regarding the disposal of tools and materials.

## Specific Safety Precautions for Use

- Always check that the fixture is securely attached before beginning any work.
- Do not force the ejector pin into or out of the fixture; if resistance is felt, stop and assess the situation.
- Use the brasstipped set screws carefully to avoid marring the ejector or frame.
- Avoid working in wet or slippery conditions to prevent accidents.
- Be mindful of your surroundings and ensure that no one is in close proximity while using the fixture.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that the work area is clean and organized.

### 2. Installation:

- Position the ejector in the fixture, aligning it with the frame of your 1911 or 2011.
- Use the brasstipped set screws to secure the ejector in place. Tighten gently to avoid damage.
- Check that the ejector is held firmly without any movement.

### 3. Usage:

- Once installed, carefully notch the ejector leg as needed for a perfect fit.
- Regularly check the alignment during the fitting process to ensure accuracy.
- After completing the installation, remove the ejector pin fixture and store it safely.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling any metal components where possible.

## **Contact Information for Further Support**

For any inquiries or further support, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the 1911 Ejector Pin Fixture.
