

J-CLIP 5-SHOT REVOLVER SPEEDLOADERS - ZETA6 J-CLIP 5-SHOT SPEEDLOADER 2/PACK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

J-CLIP™ Speedloader for 5-Shot J-Frame Size Revolvers is a clip-style speedloader designed specifically to fit 5-shot J-frame size revolvers. It has a pentagon shape for real fit with most 5-shot J-frame revolvers including: S&W, Taurus, Rossi and older model Charter Arms. It works well with slimmer concealed carry style grips but may not fit well with larger rubber or wooden grips. Made from tough BPA, BPS, BPF free polyurethane material for use in both hot and cold environments. Will not fit Ruger LCR revolvers. Hold 38 Special and 357 Magnum rounds.

JCLIP 5SHOT REVOLVER SPEEDLOADERS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the JCLIP 5SHOT REVOLVER SPEEDLOADERS. This guide provides essential safety instructions to ensure the proper use and handling of your speedloader. Please read this manual carefully before use to understand the necessary precautions and guidelines.

General Safety Guidelines

- Ensure that the speedloader is only used with compatible 5shot Jframe size revolvers, including brands such as S&W, Taurus, and Rossi.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Store the speedloader and any associated ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the speedloader for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to use the speedloader with Ruger LCR revolvers, as it is not compatible.
- Ensure that the speedloader is fully loaded before attempting to use it. Do not exceed the recommended capacity of 5 rounds.
- Avoid using the speedloader with larger rubber or wooden grips, as it may not fit properly.
- Use the speedloader in a safe environment, away from children and pets.
- Be aware of your surroundings when loading or unloading the revolver to prevent accidental discharge.

Instructions for Installation and Usage

1. Loading the Speedloader:

- Hold the speedloader in one hand, ensuring it is oriented correctly.
- Insert the rounds into each chamber of the speedloader, ensuring they are seated properly.
- Doublecheck that the speedloader is full and securely loaded with 5 rounds.

2. Using the Speedloader with Your Revolver:

- With the revolver pointed in a safe direction, open the cylinder.
- Align the speedloader with the cylinder of the revolver.
- Press the release mechanism on the speedloader to release the rounds into the chambers of the revolver.
- Close the cylinder of the revolver and ensure it is secure before handling.

3. Unloading the Speedloader:

- If you need to unload the speedloader, press the release mechanism to remove the rounds.
- Store the rounds safely and securely after unloading.

Disposal Instructions

- Dispose of the speedloader responsibly. If it is damaged or no longer usable, contact your local waste management authority for proper disposal methods.
- Do not dispose of the speedloader in regular household waste. Follow local regulations for hazardous materials and plastics.

Contact Information for Further Support

For any inquiries or further support, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure the safe and effective use of your JCLIP 5SHOT REVOLVER SPEEDLOADERS. Always prioritize safety and responsible handling practices. Thank you for your attention to these important guidelines.
