

# AR-15 POWER DROP-IN TRIGGERS - HIPERFIRE AR-15 POWER DROP-IN 2LB TRIGGER BLACK NITRIDE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Power Drop-In Trigger from Hiperfire! HIPERFIRE's customer base has clamored for an AR drop-in trigger that features the "feel" and hardhitting hammers its triggers are known for. Most aftermarket drop-ins are notorious for LPS, light primer strikes. To get the pull weight down, designers have compromised their hammer fall. Not so with the new PDI line of triggers. These drop-ins pull at around 2 lbs. and sport HIPERFIRE's unique HIPERSHOE that now mounts onto a curved bow, not just straight. The hammer strikes surpass SAAMI's copper crusher spec and hit harder than MIL-spec M4/16 hammers. Wow! The pull? It's single stage. It's short, sweet, and smooth as butter. The "feel" is almost transparent to the shooter. To top it all off, no PCC blowback violence can touch it. The PDI versions feature a hammer collision bumper. Its disconnecter and disconnecter spring are impact and crush protected. Is it just for PCC? No way. It's just an excellent trigger. Anyone can appreciate it shooting slow, fast, short-range, or for long-range precision, and on the move, it surpasses SAAMI's rough handling specification. 2 lb Pull MIL-Grade Hammer Strike, No LPS, Ever Titanium-Nitride & H&M BLACKNITRIDE+™ Finishes Exceptionally Smooth Feel Enhanced Corrosion Protection Polished Look PCC Blowback Tough Hammer Collision Bumper Disconnecter Crash Protection Disconnecter Spring Crush Protection Comes with HIPERSHOE and Anti Walk Pins

## Attributes

- Name: [HIPERFIRE AR-15 POWER DROP-IN 2LB TRIGGER BLACK NITRIDE](#)
- Manufacturer: [HIPERFIRE](#)
- Product no.: 100039960
- Mfr. No.: PDIBLK
- Style: Drop-In, Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.136kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 178mm
- UPC: 859177004447

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15 POWER DROPIN TRIGGERS HIPERFIRE AR15 POWER DROPIN 2LB TRIGGER BLACK NITRIDE

## Introduction

Thank you for choosing the AR15 POWER DROPIN TRIGGERS from HIPERFIRE. This guide provides essential safety instructions and guidelines for the proper use, installation, and maintenance of your new trigger. Please read this document carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Ensure that you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Inspect the trigger and firearm regularly for any signs of wear or damage.
- Use appropriate personal protective equipment (PPE) when handling firearms, including eye and ear protection.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals 18 years of age and older. Ensure that only qualified and trained individuals handle the trigger.
- **Installation:** Follow the installation instructions carefully to avoid improper installation that may lead to malfunction.
- **Compatibility:** Ensure that the trigger is compatible with your specific AR15 model before installation.
- **Testing:** After installation, perform a function test in a safe environment before using the firearm in a live situation.
- **Storage:** Store the trigger and firearm in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and hammer.

#### 2. Remove the Old Trigger:

- Disassemble the lower receiver of the AR15 according to the manufacturer's instructions.
- Carefully remove the existing trigger and associated components.

#### 3. Install the New Trigger:

- Place the HIPERFIRE trigger into the trigger slot.
- Align the hammer and disconnecter according to the installation guide.
- Secure the trigger with the provided pins and ensure it is seated properly.

#### **4. Reassemble the Firearm:**

- Reassemble the lower receiver and ensure all components are properly secured.
- Conduct a function check to ensure the trigger operates smoothly.

### **Usage**

- Always follow safe firearm handling practices when using your AR15 with the new trigger.
- Familiarize yourself with the trigger's characteristics, including the 2 lb pull weight and singlestage operation.
- Practice in a safe environment to become accustomed to the trigger's feel and responsiveness.

### **Disposal Instructions**

- Dispose of the trigger and any related components in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

### **Contact Information for Further Support**

For any questions or concerns regarding the AR15 POWER DROPIN TRIGGERS, please refer to the manufacturer's contact information provided with the product packaging. It is essential to have access to support for any safety inquiries or productrelated issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 POWER DROPIN TRIGGERS. Always prioritize safety and responsible firearm handling.
