

# AR-15 POWER DROP-IN TRIGGERS - HIPERFIRE AR-15 POWER DROP-IN 2LB TRIGGER ROSE GOLD

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Power Drop-In Trigger from Hiperfire! HIPERFIRE's customer base has clamored for an AR drop-in trigger that features the "feel" and hardhitting hammers its triggers are known for. Most aftermarket drop-ins are notorious for LPS, light primer strikes. To get the pull weight down, designers have compromised their hammer fall. Not so with the new PDI line of triggers. These drop-ins pull at around 2 lbs. and sport HIPERFIRE's unique HIPERSHOE that now mounts onto a curved bow, not just straight. The hammer strikes surpass SAAMI's copper crusher spec and hit harder than MIL-spec M4/16 hammers. Wow! The pull? It's single stage. It's short, sweet, and smooth as butter. The "feel" is almost transparent to the shooter. To top it all off, no PCC blowback violence can touch it. The PDI versions feature a hammer collision bumper. Its disconnecter and disconnecter spring are impact and crush protected. Is it just for PCC? No way. It's just an excellent trigger. Anyone can appreciate it shooting slow, fast, short-range, or for long-range precision, and on the move, it surpasses SAAMI's rough handling specification. 2 lb Pull MIL-Grade Hammer Strike, No LPS, Ever Titanium-Nitride & H&M BLACKNITRIDE+™ Finishes Exceptionally Smooth Feel Enhanced Corrosion Protection Polished Look PCC Blowback Tough Hammer Collision Bumper Disconnecter Crash Protection Disconnecter Spring Crush Protection Comes with HIPERSHOE and Anti Walk Pins

## Attributes

- Name: [HIPERFIRE AR-15 POWER DROP-IN 2LB TRIGGER ROSE GOLD](#)
- Manufacturer: [HIPERFIRE](#)
- Product no.: 100039961
- Mfr. No.: PDIRG
- Style: Drop-In, Single-Stage
- Weapon type: AR-15
- Delivery weight: 0.136kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 178mm
- UPC: 859177004478

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AR15 POWER DROPIN TRIGGERS HIPERFIRE

## Introduction

Thank you for choosing the AR15 POWER DROPIN TRIGGERS by HIPERFIRE. This guide provides essential information on the safe use, installation, and maintenance of your new trigger. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to fire.
- Ensure the firearm is pointed in a safe direction at all times.
- Store your trigger and firearm securely and out of reach of children.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Do not modify the trigger or firearm in any way that could compromise safety.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when handling firearms.
- **Training:** Use this trigger only if you are trained in the safe handling and operation of firearms. Consider professional training if you are inexperienced.
- **Environment:** Use the trigger only in a controlled environment, such as a shooting range, where safety measures are in place.
- **Condition of Firearm:** Ensure your AR15 is in proper working condition before installation. Consult a qualified gunsmith if you have any doubts.
- **Use Appropriate Ammunition:** Only use ammunition that is compatible with your AR15 and meets manufacturer specifications.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure your AR15 is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's guidelines to safely remove the existing trigger from your firearm.
3. **Install the HIPERFIRE Trigger:**
  - Align the trigger with the trigger housing.
  - Insert the trigger pin through the trigger and housing.
  - Ensure the trigger is securely in place.
4. **Check Functionality:** After installation, cycle the action of the firearm to ensure proper fit and function.
5. **Test Safety Features:** Verify that the safety mechanisms function correctly before using the firearm.

### Usage

- **Single Stage Pull:** The trigger is designed for a short, smooth pull. Familiarize yourself with its operation before using it in live conditions.
- **Hammer Collision Bumper:** This feature enhances safety by minimizing the risk of accidental discharge during handling.
- **Disconnecter Protection:** Ensure the disconnecter and its spring are intact and functioning to prevent unintended firing.

## **Disposal Instructions**

- Dispose of the trigger and any associated parts in accordance with local regulations.
- Do not discard in regular household waste. Check for local recycling or hazardous waste programs that accept firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and functionality of your AR15 POWER DROPIN TRIGGERS, please refer to the manufacturer's website or contact customer support.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR15 POWER DROPIN TRIGGERS. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
