

AR-15/MCX POWER DROP-IN TRIGGER - HIPERFIRE AR-15/MCX POWER DROP-IN TRIGGER 2LB BLACK NITRIDE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Power Drop-In for the SIG MCX! HIPERFIRE's customer base has clamored for an AR drop-in trigger that features the "feel" and hardhitting hammers its triggers are known for. Most aftermarket drop-ins are notorious for LPS, light primer strikes. To get the pull weight down, designers have compromised their hammer fall. Not so with the new PDI line of triggers. These drop-ins pull at around 2 lbs. and sport HIPERFIRE's unique HIPERSHOE that now mounts onto a curved bow, not just straight. The hammer strikes surpass SAAMI's copper crusher spec and hit harder than MIL-spec M4/16 hammers. Wow! The pull? It's single stage. It's short, sweet, and smooth as butter. The "feel" is almost transparent to the shooter. To top it all off, no PCC blowback violence can touch it. The PDI version features a hammer collision bumper. Its disconnecter and disconnecter spring are impact and crush protected. Is it just for PCC? No way. It's just an excellent trigger. Anyone can appreciate it shooting slow, fast, short-range, or for long-range precision, and on the move, it surpasses SAAMI's rough handling specification. 2 lb Pull MIL-Grade Hammer Strike, No LPS, Ever H&M BLACKNITRIDE+™ Finish Exceptionally Smooth Feel Enhanced Corrosion Protection Polished Look PCC Blowback Tough Hammer Collision Bumper Disconnecter Crash Protection Disconnecter Spring Crush Protection

Attributes

- Name: [HIPERFIRE AR-15/MCX POWER DROP-IN TRIGGER 2LB BLACK NITRIDE](#)

Safety Instruction Guide for AR15/MCX POWER DROPIN TRIGGER

Introduction

Thank you for choosing the HIPERFIRE AR15/MCX Power DropIn Trigger. This innovative product is designed to enhance your shooting experience with its superior performance and reliability. However, safety is paramount when handling firearms and their components. This guide provides essential safety instructions and guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure you are in a safe environment when handling the trigger.
- Keep the trigger and all firearms out of reach of children and unauthorized users.
- Use the trigger only with compatible firearms as specified by the manufacturer.
- Regularly inspect your trigger for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and possess the necessary training.
- **Personal Protective Equipment (PPE):** Always wear appropriate eye and ear protection when using firearms.
- **Installation Safety:** Ensure the firearm is completely unloaded before installation. Doublecheck that the chamber is clear.
- **Handling:** Avoid placing your finger on the trigger until you are ready to shoot. Maintain a safe muzzle direction at all times.
- **Trigger Pull Weight:** Be aware that this trigger has a pull weight of approximately 2 lbs. Familiarize yourself with this before use to prevent accidental discharges.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from your firearm.
3. **Install the DropIn Trigger:**
 - Align the HIPERFIRE trigger with the trigger housing.
 - Ensure that the trigger is seated properly and securely.
 - Follow the specific instructions provided with the trigger for any additional components, such as the hammer collision bumper.
4. **Check Functionality:** After installation, conduct a function check to ensure the trigger operates correctly.
5. **Final Inspection:** Inspect the installation for any loose parts or misalignments before using the firearm.

Usage Instructions

- Familiarize yourself with the trigger's operation before using it in a live firing situation.
- Practice in a controlled environment to understand the trigger pull and its responsiveness.
- Always follow standard shooting practices and guidelines while using your firearm equipped with this

trigger.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm components.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the HIPERFIRE AR15/MCX Power DropIn Trigger, please refer to the manufacturer's website or contact their customer service directly.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HIPERFIRE AR15/MCX Power DropIn Trigger. Always prioritize safety and responsibility when handling firearms and their accessories.
