# MRO Fixed Red Dot Optic Mounts Safety Instruction Guide

## Introduction

Thank you for purchasing the MRO Fixed Red Dot Optic Mount. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is suitable for your specific Trijicon MRO red dot optic.
- Always follow the installation instructions provided in this guide to avoid any potential hazards.
- Inspect the product before each use to ensure it is in good condition and free from defects.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for the optic mount.
- Ensure that all components are securely tightened before use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Do not modify or alter the product in any way, as this may compromise safety and functionality.
- If the product shows signs of wear or damage, discontinue use immediately and contact a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and hardware included in the package.
- Ensure you are working in a clean and welllit area.

### 2. Installation Steps:

- Align the optic mount with the designated mounting area on your Trijicon MRO red dot optic.
- Insert the steel cross bolts into the mount and ensure they engage properly with the stainless helicoils.
- Use the provided installation tools to tighten the bolts securely, ensuring the mount is firmly attached.
- Doublecheck all connections to confirm that everything is secure before use.

### 3. Usage:

- Once installed, adjust the optic according to your preferences for optimal performance.
- Regularly check the mount and optic for any signs of loosening or wear during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Remove any batteries or electronic components before disposal, and recycle them separately if applicable.

## **Contact Information for Further Support**

For inquiries regarding safety, installation, or product performance, please reach out to the manufacturer or authorized retailer. Ensure that you have the product details and any relevant information ready when seeking assistance.

By following these safety instructions, you can ensure the safe and effective use of your MRO Fixed Red Dot Optic Mount. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
