# MRO FIXED RED DOT OPTIC MOUNTS USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MRO Fixed Red Dot Optic Mount from Midwest Industries. This product is designed to enhance your shooting experience with Trijicon MRO red dots. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the optic mount is compatible with your specific Trijicon MRO red dot sight before use.
- Inspect the mount for any signs of damage or wear before installation.
- Keep the optic mount out of reach of children and vulnerable individuals.
- Do not use the optic mount for any purpose other than its intended use.
- Always follow the manufacturer's instructions for the Trijicon MRO red dot sight when mounting and using the optic.

## Specific Safety Precautions for Use

- Ensure that the optic mount is securely attached to your firearm before use.
- Regularly check the mounting screws and bolts for tightness and integrity.
- Avoid using excessive force when tightening screws or bolts to prevent damage to the mount or firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any issues with the mount during use, cease operation immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure you have all installation tools and hardware included in the package.
- Place the optic mount onto the designated rail on your firearm.
- Align the mount properly to ensure a secure fit.
- Use the included steel cross bolts to secure the mount. Engage the stainless helicoils for superior clamping force.
- Tighten the bolts firmly but do not overtighten to avoid damaging the mount.

### 2. Usage Steps:

- After installation, check the alignment of the Trijicon MRO red dot sight.
- Make any necessary adjustments to ensure optimal sighting.
- Confirm that the mount is secure before using the firearm.
- Follow all safety protocols for handling and operating your firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the optic mount in regular household waste.
- Consider recycling or returning the product to the manufacturer if applicable.

## Contact Information for Further Support

For any questions or concerns regarding the MRO Fixed Red Dot Optic Mount, please refer to the manufacturer's contact resources. Always ensure to keep the product information and warranty details for reference.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your MRO Fixed Red Dot Optic Mount. Always prioritize safety and consult professionals if you have any doubts or concerns regarding the product's use. Thank you for your attention to these important guidelines.
