

IPHONE® X/XS BUMP CASES - MAGPUL BUMP CASE IPHONE X/XS FLAT DARK EARTH

[Shooting Accessories](#) > [Electronic Device Cases](#)

The legendary protection that Magpul iPhone Bump Case owners enjoy is now available for the iPhone X and Xs. A hard, protective outer shell surrounds a shock-absorbing inner layer, forming a double-reinforced protective barrier with a slim profile. Raised, easily-identifiable button covers offer tactile feedback when pressed. The iPhone X/Xs Bump Case snaps on and off for easy installation/removal, while PMAG®-style side ribs provide additional grip that won't snag on your clothes or pockets. Fits iPhone X/Xs. Designed and manufactured in the U.S.A. FEATURES Compatible with iPhone X and Xs Two-material, rigid-shell construction provides protection against minor bumps and abrasions Compact design adds minimal bulk to the phone Fully compatible with Retina HD screen Textured surface and PMAG-style ribs for added grip yet allows for snag-free removal from pockets Raised lip protects screen when laid face down, yet remains unobtrusive Ports, switches and buttons are accessible with case installed (optimized for use with factory charging cable)

IPHONE® X/XS BUMP CASE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Magpul Bump Case for your iPhone X and Xs. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully to understand how to use and maintain your case effectively.

General Safety Guidelines

- Ensure that the case is compatible with your iPhone model (iPhone X or Xs).
- Regularly inspect the case for any signs of damage or wear.
- Do not use the case if it is damaged or compromised, as this may not provide adequate protection.
- Keep the case away from extreme temperatures, moisture, and direct sunlight to maintain its integrity.
- Always follow the manufacturer's guidelines for use and maintenance.

Specific Safety Precautions for Use

- The Bump Case is designed to provide protection against minor bumps and abrasions; however, it is not a substitute for careful handling of your device.
- Avoid dropping your phone, even when it is in the case, as excessive force may still cause damage.
- Do not expose the case to harsh chemicals or solvents, as these can degrade the material.
- If using the case while charging, ensure that the charging cable is compatible and does not put excessive strain on the case or device.
- Keep the case out of reach of small children to prevent any accidental ingestion of small parts.

Instructions for Installation and Usage

1. Installation:

- Align the case with your iPhone X or Xs.
- Gently press down on the corners of the case until it snaps securely onto the device.
- Ensure that all buttons and ports are accessible and unobstructed by the case.

2. Usage:

- Use the raised button covers for tactile feedback when pressing buttons.
- Ensure the case remains clean and free from dust and debris to maintain optimal grip and usability.
- When removing the case, gently pull at the corners to detach it from the phone without applying excessive force.

Disposal Instructions

- Dispose of the Bump Case in accordance with local regulations for electronic waste.
- Do not incinerate or expose the case to fire, as it may release harmful substances.
- If the case is beyond repair, consider recycling it to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding your product, please reach out to your local retailer or the

manufacturer directly. Ensure you have the product information ready for a more efficient response.

By following these safety instructions, you can ensure that your Magpul Bump Case provides the best possible protection for your iPhone X or Xs while complying with the EU General Product Safety Regulation. Thank you for your attention to these guidelines.
