

IPHONE® X/XS BUMP CASES - MAGPUL BUMP CASE IPHONE X/XS OD GREEN

[Shooting Accessories](#) > [Electronic Device Cases](#)

The legendary protection that Magpul iPhone Bump Case owners enjoy is now available for the iPhone X and Xs. A hard, protective outer shell surrounds a shock-absorbing inner layer, forming a double-reinforced protective barrier with a slim profile. Raised, easily-identifiable button covers offer tactile feedback when pressed. The iPhone X/Xs Bump Case snaps on and off for easy installation/removal, while PMAG®-style side ribs provide additional grip that won't snag on your clothes or pockets. Fits iPhone X/Xs. Designed and manufactured in the U.S.A. FEATURES Compatible with iPhone X and Xs Two-material, rigid-shell construction provides protection against minor bumps and abrasions Compact design adds minimal bulk to the phone Fully compatible with Retina HD screen Textured surface and PMAG-style ribs for added grip yet allows for snag-free removal from pockets Raised lip protects screen when laid face down, yet remains unobtrusive Ports, switches and buttons are accessible with case installed (optimized for use with factory charging cable)

IPHONE® X/XS BUMP CASE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Magpul Bump Case for your iPhone X and XS. This product is designed to provide enhanced protection for your device while maintaining a sleek and compact design. To ensure safe usage and to maximize the benefits of this case, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the case is compatible with your specific model of iPhone (iPhone X or XS).
- Inspect the case regularly for any signs of wear or damage. If the case is damaged, discontinue use immediately.
- Keep the case away from extreme temperatures, moisture, and direct sunlight to maintain its integrity.
- Ensure that the case does not obstruct any ports or buttons on the device.
- Be cautious when removing the case to avoid damaging the device or the case itself.

Specific Safety Precautions for Use

- The case is designed to protect against minor bumps and abrasions. However, it does not guarantee protection against all impacts.
- Avoid using the case in environments where it may come into contact with sharp objects that could puncture or tear the material.
- While the raised lip of the case protects the screen when laid face down, it is advisable to use a screen protector for additional safety.
- Ensure that children do not use the case as a toy, as small parts may pose a choking hazard.

Instructions for Installation and Usage

1. Installation

- Align the iPhone X or XS with the case.
- Gently press the phone into the case until it snaps securely into place.
- Ensure that all edges are fully enclosed by the case.

2. Usage

- The case is designed for easy access to all ports, switches, and buttons. Ensure that these are fully functional while the case is installed.
- For optimal use, it is recommended to use factory charging cables and accessories.
- If you experience any difficulty accessing buttons or ports, remove the case and check for any obstructions.

3. Removal

- To remove the case, gently pull on one corner of the case while simultaneously lifting the phone out.
- Avoid using excessive force to prevent damage to either the case or the phone.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding electronic waste.
- Do not incinerate the case, as it may release harmful substances when burned.
- If the case is no longer usable, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries, product concerns, or to report unsafe products, please refer to the appropriate authorities or your local consumer safety organization.

Thank you for your attention to these safety instructions. Enjoy the protection and style that the Magpul Bump Case offers for your iPhone X or XS.
