# Safety Instruction Guide for AR 308 RA701 Compensator

## Introduction

Thank you for choosing the AR 308 RA701 Compensator. This product is designed to enhance your shooting experience by reducing recoil and lifting tendencies. To ensure your safety and the safe use of this product, please read and follow all safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the compensator by following all instructions.
- Be aware of potential risks associated with the use of firearm accessories.
- Always use the compensator in accordance with local laws and regulations.
- Keep the compensator out of reach of children and unauthorized users.
- Regularly inspect the compensator for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Ensure the firearm is unloaded before installing or adjusting the compensator.
- Only use the compensator with firearms that are compatible with the .30 caliber specifications.
- Do not modify the compensator or use it in a manner not intended by the manufacturer.
- Be cautious of the muzzle blast and ensure a safe shooting environment.
- Avoid using the compensator in extreme weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing muzzle device from the firearm's barrel.
- Clean the threads of the barrel to ensure proper installation.
- Align the compensator with the barrel threads (5/824).
- Handtighten the compensator onto the barrel.
- Use a torque wrench to secure the compensator to the manufacturer's recommended torque specifications.
- Check for proper alignment and ensure the compensator is securely attached.

### 2. Usage

- Always check the compensator and firearm before each use.
- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the compensator during use and be aware of any unusual behavior.
- Regularly clean the compensator to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- If the compensator is damaged or no longer usable, follow appropriate disposal methods for metal products.

- Consider recycling the compensator if possible.

## **Contact Information for Further Support**
