MARLIN 336 HAND GUARD ADAPTOR SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Marlin 336 Hand Guard Adaptor by Midwest Industries. This adaptor is designed to enhance the functionality of your Marlin® 336/1894 rifles. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Inspect the adaptor regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications.
- Use only compatible hand guards with the adaptor to ensure safety and performance.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the hand guard attached to the adaptor.
- Ensure that the mounting screw is tightened securely before use.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- If you experience any malfunction or unusual behavior during use, stop immediately and consult a professional.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Marlin® 336/1894 rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a screwdriver for the mounting screw.

2. Installation:

- Locate the barrel band screw on your rifle, which is positioned 83/8" from the front of the receiver.
- Align the adaptor with the barrel band and insert the mounting screw through the adaptor into the barrel band.
- Tighten the screw securely to ensure a stable fit. Do not overtighten, as this may damage the adaptor or rifle.

3. Attaching the Hand Guard:

- Once the adaptor is securely installed, attach the compatible Midwest Industries MLoc™ MIMARMR hand guard to the adaptor.
- Follow the hand guard manufacturer's instructions for proper attachment.

4. Final Checks:

- Ensure that all components are securely fastened and that there is no movement.
- Conduct a visual inspection to confirm that everything is in place before using the firearm.

Disposal Instructions

- Dispose of the adaptor in accordance with local waste management regulations.
- If the adaptor is damaged or no longer in use, consider recycling the aluminum material where applicable.
- Do not dispose of the adaptor in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Marlin 336 Hand Guard Adaptor, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Marlin 336 Hand Guard Adaptor. Thank you for your attention to safety.
