## MAGAZINE RAILS Safety Instruction Guide

### Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS from MANTIS TECH LLC. This product is designed to enhance your training experience by allowing you to attach the MantisX training device to your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that all safety precautions are followed during the use of this product.
- Always treat firearms as if they are loaded.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as outlined in this guide.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues or have safety concerns, cease use immediately and seek assistance.

### Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that your firearm model is compatible with the MantisX training device before installation.
- **Secure Attachment:** Always ensure that the magazine rails are securely attached to the firearm to prevent accidental detachment during use.
- **Holster Use:** If using a holster, ensure it is compatible with the magazine rails and allows for safe drawing and reholstering of the firearm.
- **Training Environment:** Conduct training in a safe and controlled environment, free from distractions and potential hazards.
- **Supervision:** If using this product with minors or inexperienced users, ensure that they are supervised by a qualified adult at all times.
- **Emergency Procedures:** Familiarize yourself with emergency procedures for firearm safety, including how to safely handle a malfunction.

### Instructions for Installation and Usage

#### 1. Installation:

- Remove the existing magazine floorplate from your firearm's magazine.
- Align the MantisX Magrails with the magazine and securely attach it according to the manufacturer's instructions.
- Ensure that the adapter is fully bonded to the magazine floorplate for a secure fit.

#### 2. Usage:

- Once installed, attach the MantisX training device to the Magrails.
- Follow the MantisX training device instructions for proper operation.
- Regularly check the attachment to ensure it remains secure during use.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer in use, consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS, please refer to the manufacturer's website or contact customer support for assistance. Always ensure you have the latest information and updates regarding your product.

By adhering to these guidelines, you can ensure a safe and effective training experience with your SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Thank you for your attention to safety.
