## MAGAZINE RAILS Safety Instruction Guide

### Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS by MANTIS TECH LLC. This product is designed to enhance your firearm training experience by allowing you to attach the MantisX training device to your firearm. It is essential to read and understand this safety instruction guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and the MantisX device before use.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Only use the magazine rails with compatible firearm models as listed in the product description.
- Do not modify the product or attempt to use it with incompatible firearms.
- Ensure that the magazine is securely attached to the firearm before use.
- Avoid using the product in wet or damp conditions to prevent electrical malfunction.
- Be aware of your surroundings and ensure a safe training environment.
- Use appropriate safety gear during training sessions, including eye and ear protection.
- Keep fingers away from the trigger until ready to shoot.

### Instructions for Installation and Usage

#### Installation

1. **Remove Existing Magazine Floorplate:** Carefully detach the existing magazine floorplate from your firearm's magazine.
2. **Attach the Magrail:** Align the SMART SENSOR MAGRAIL with the magazine and press it into place until you hear a click, indicating that it is securely attached.
3. **Check for Secure Fit:** Ensure that the Magrail is firmly attached and does not move when pulled.
4. **Install MantisX Device:** If applicable, attach the MantisX training device to the Magrail following the manufacturer's instructions.

#### Usage

- Always ensure that your firearm is unloaded before attaching or detaching the Magrail.
- Practice safe handling and operation of your firearm while using the Magrail.
- Follow the MantisX training device instructions for effective training use.
- Regularly check the attachment for any looseness or damage during training sessions.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.

- If the product is damaged or no longer usable, do not attempt to repair it. Instead, follow appropriate disposal methods for safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS, please refer to the manufacturer's website or contact your local retailer for support. Always ensure that you have the most current information regarding safety practices and product updates.

By following these guidelines, you can ensure a safe and effective experience while using the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Thank you for prioritizing safety in your training practices.
