# Safety Instruction Guide for SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS

## Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS by MANTIS TECH LLC. This product is designed to enhance your training experience with firearms that do not have an existing rail. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms safely and responsibly. Treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If you experience any issues with the product, stop using it immediately and seek assistance.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS is compatible with your specific firearm model before installation.
- **Installation:** Follow the installation instructions carefully to avoid improper attachment that could lead to accidents.
- **Training:** Use the product only for training purposes. Do not rely solely on the MantisX training device for real-life firearm scenarios.
- **Holster Use:** If using a holster, ensure that it is compatible with the installed magazine rails and does not obstruct the operation of the firearm.
- **Inspection:** Before each use, check that the magazine rails are securely attached and that no parts are loose or damaged.

## Instructions for Installation and Usage

### 1. Installation of the Magazine Rails:

- Remove the existing magazine floor plate from your firearm's magazine.
- Align the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS with the magazine.
- Attach the magazine rails securely to the magazine floor plate.
- Ensure that the rails are firmly in place and that there is no movement.

### 2. Attaching the MantisX Training Device:

- Once the magazine rails are installed, follow the manufacturer's instructions for attaching the MantisX training device.
- Ensure that the device is securely attached and properly aligned for optimal performance.

### 3. Using the Product:

- Load the magazine into your firearm as you normally would.
- Practice your training drills while ensuring that all safety protocols are followed.
- After training, remove the MantisX device and store both the device and the magazine rails in a safe location.

## Disposal Instructions

- Dispose of the product in accordance with your local regulations regarding electronic waste and firearm accessories.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer needed, consider recycling options or contacting local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, compatibility, or product support, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can ensure a safe and effective training experience with the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Always prioritize safety and responsible firearm handling.
