# Safety Instruction Guide for SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS

## Introduction

Thank you for choosing the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS by Mantis Tech LLC. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only with compatible firearms as specified in the product description.
- Always follow the manufacturer's instructions when using the MantisX training device.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage before each use.
- In case of any malfunction or damage, discontinue use immediately and contact the manufacturer for support.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the magazine rails are compatible with your firearm model. Refer to the list of compatible models provided in the product description.
- **Proper Installation:** Ensure that the magazine rails are installed correctly and securely. An improper installation can lead to malfunction or accidents.
- **Training Device Usage:** When attaching the MantisX training device, ensure that it is securely fastened and does not obstruct the operation of the firearm.
- **Holster Use:** If using a holster, ensure it is compatible with the magazine rails and allows for safe and effective draws.
- **Dry Fire Practice:** If practicing with an unloaded firearm, ensure that all safety precautions are followed to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Installation of Magazine Rails:

- Remove the existing magazine floor plate from your firearm's magazine.
- Align the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS with the magazine body.
- Securely attach the magazine rails to the magazine, ensuring that they are properly seated and locked in place.
- Reattach the magazine floor plate if necessary, ensuring a secure fit.

### 2. Attaching the MantisX Training Device:

- Ensure that the magazine rails are properly installed on the magazine.
- Align the MantisX training device with the attachment point on the magazine rails.
- Press firmly to secure the device in place until you hear a click indicating it is locked.

### 3. Using the Product:

- Load the magazine with compatible ammunition.
- Insert the magazine into the firearm.
- Follow the instructions for using the MantisX training device as per the manufacturer's guidelines.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste. Instead, consider recycling options available in your area.

## Contact Information for Further Support

For any inquiries, concerns, or to report unsafe products, please refer to the manufacturer's contact information provided with your product or visit their official website.

## Conclusion

By following this safety instruction guide, you can ensure the safe and effective use of the SMART SENSOR PERFORMANCE SYSTEMS MAGAZINE RAILS. Always prioritize safety and compliance with local laws and regulations regarding firearm accessories. Thank you for your purchase and commitment to safe firearm practices.
